

News Bulletin 14th December 2020

Dear Children, Families, Colleagues, Trustees and Friends,

This will be my last News Bulletin and all I can really say is that I have had a glorious time at Bristol Steiner School. It has been a privilege to teach, to work with, to support and to learn from an amazing school community; and with the help of many passionate and committed people both within the school and beyond, the school has continued to go from strength to strength.

Diary Dates	
End Of Term	Wednesday 16th December – 12:45
INSET Day	Monday 4th January 2021
Spring Term Begins	Tuesday 5th January 2021 (All Pupils Return)

A special thanks to Bristol Steiner School's Trustees who have been critical friends and a huge support in the strategic leadership and development of the school. They are a team of huge-hearted people who rarely get a mention for all their hard work and time, but are pivotal in the smooth management and leadership of the school.

I would also like to say a massive thank you to all the staff I have had the pleasure of working alongside; the admin team, teaching team, support team and site management team – they have all done their bit to make Bristol Steiner School the place it is today. Bristol Steiner School only works because of all the amazing people front of house and behind the scenes who keep the cogs whirring. I will miss you all.

And so to the children of Bristol Steiner School – you will all hold a very special place in my heart and I will continue to smile and glow with pride as I hear about you reaching milestones and achieving your dreams! Stay true to yourselves; be your own person; have your own ideas and opinions and most of all, always be kind.

Onwards and upwards, Bristol Steiner School - I shall be keeping a very close eye on your news and developments over forthcoming years. I know that with everyone's continuing support, the school will continue to make memories for generations to come.

Thank you all for continuing to support us by wearing masks when you drop off and collect your children. The last thing any of us wants now is to have to quarantine over Christmas.

With very best wishes for all your future successes,

Ruth Glover
