### Biography

**Sara Oblak Speicher, MBA** is a global transformational mentor, catalyst, and intuitive strategist to Aquarian leaders. Visionary executives, elite athletes, and successful business owners turn to her when they are ready to turn their boldest vision & deepest desires into reality. As a certified mindset coach and mystic, Sara leverages 20+ years of international professional, academic, and athletic experiences.

Masterfully blending deep metaphysical, vibrational, and kinesthetic principles with ancient wisdom and practicality of everyday living, Sara's specialty is to architect new frameworks, quantum strategies and tactics that help her clients take massive action, open new portals, and bend time & space, and inspire intentional and substantial living & leading in new era.

Born and raised in a small medieval town in Slovenia, she served as team captain at Women's Basketball European Championship before accepting an invitation to play NCAA-D1 basketball in New York City. There, she completed her bachelor's and MBA degree with honors, and now runs her global business in non-native language.

Being an avid traveler, Sara plays into limitless possibilities by harnessing the power of love, divine gifts, soul genius, winning attitude, and simplified success strategies. She is also a survivor of postpartum depression & severe burnout (that nearly killed her, her business, and marriage... but instead became her spiritual awakening).

Living her mission and walking her talk (in high heels in spite of being 6'1" tall), Sara currently resides in the Lower Hudson Valley with her husband, their two young daughters, and three furry rescues.
