

FCS 403: Benefits of Play in Child Development.

Students complete activities as part of the course requirements and receive “Badges” to indicate their proficiency in the following areas:

Understand Historical and Contemporary Views on Play: Participate in class lectures, and readings to understand the historical and contemporary play theories, and theorists.

Explore Play Types: Encourage students to become aware of different types of play that are important for life-long human development parent-child interactions, solitary vs. social play, the role of play in learning (e.g., movement based learning), and physical challenges and play.

Identify Play Spaces and Places: Explore different contexts of play, for example the effects of culture on play, gender differences in play, age changes in play, recess, competitive and non-competitive play, technology and play, violence and play

Communicate Effectively about Play: Improve students’ verbal and writing skills through written assignments, classroom discussions, and observation strategies in order to better communicate the benefits of play in their future careers.

The screenshot displays a Credly account interface for Heather Von Bank. At the top, navigation links include GIVE, CLAIM CREDIT, GO PRO, and NEW ISSUER LAYOUT. A notification banner indicates a new issuer layout is available. The account usage section shows 4 credit earned, 86 credit given, 2 saved in lists, and 4 trusted by. The main area displays a grid of badges under 'Earned (4)' and 'Created (5)' tabs. The badges are: PLAY BENEFITS (Discover the Benefits...), COMMUNICATION (Communicate Effecti...), PLAY TYPES (Explore Play Types), SPACES & PLACES (Identify Play Spaces ...), and HISTORY OF PLAY (Understand Historical...). A settings menu on the left includes options for VIEW PROFILE, ACCOUNT SETTINGS, MY CREDIT, CONTACTS & LISTS, FOLLOWING, and VERIFICATION.
