James, UK 'Pothana Bhagavatam', one of the most popular editions of Tirumala Tirupati Devasthanams (TTD) will soon see the light of day in a refreshingly new look. Existing volumes will be revised and new volumes will be brought before the end of this year. Executive Director D. Sambasiva Rao, reviewing the progress of the publications with members of the editorial board on Wednesday, said that Bhagavatam will be brought on the line Kavitraya Mahabharatam. While the current version of Bhagavatam has only verses and their meaning (Tachira), it will be developed by the lines Mahabharatam including PratiPadadarta (word by word) and Vishesh Viahyan (special commentary). This will give it a rich literary look. Dr. Rao said. He instructed the council to complete the task on a military basis without compromising quality and to withdraw the eight-volume set by the end of the year. It was attended by editor-in-chief Samudrala Lakshmanaya, members Mudibary Kondamacharulu, Appajodu Venkatsubbaya, Salah Ragunatha Sarma and sub-editor Narasimhacharulu.
