This program in the Other Games category is for Windows (PC). You can install it for free. Cyber Foot is a football manager game with 8 versions, although it is very old. In the game, you can do whatever you want at manejerlik-on-man. Buy and buy players or change players. The game is twice as fast as previous versions. You don't have to wait long anymore as you go from one game to another. In this issue, special types of trophies seem to have been organized and the game has been breathed into a new life. You can create a group if you want. You may be eligible to qualify for the Champions League with the groups you create. 1 Comments Followers No such file No such user there is a file found a big, small, fast, fun football adventure. This is a world football match that also has Turkish leagues. That's all we can describe cyberfoot, but we can't finish it. I like being a coach. Update the field, make transfers, earn money, prepare matches, score goals!!! Exe. the installation itself. It's going to be on the desktop. Good games... If your Cyberfoot game is not registered: -You can't play in the World Cup - You can only play in the bottom league - You can only play with up to 6 people You can only play 1 person Click on the unenteened version in the menu and ad (name): Vyacheslav. Peykov code (password):71592300 Game is full after writing them. -Good Games- Cyberfoot 2010 Transfer Corner Here are comments about the Turkish league and the teams on this page: Comment from: Horizon, 02.08.2014, 10:57 (UTC): If only Denisli had not been removed from the commentary: Haktan, 24.06.2014, 07:03 (UTC): Thanks to a very good game Add a comment about this page: Our site serves as PLACE PROVIDER, as defined in Law No. 5651. Under the relevant law, site management there is no burden of content control. For this reason, our site has ed principle UYAR and KALDIR. IT IS STILL SPECIALLY PREPARED AND INSTALLED ON OUR SERVER FOR THOSE WHO WANT TO DOWNLOAD THE 2010 VERSION OF THIS AMAZING GAME. Cyber Foot is a football manager game with 8 versions, although it is very old. In the game, you can do whatever you want at manejerlik-on-man. Buy and buy players or change players. The game is twice as fast as previous versions. You don't have to wait long anymore as you go from one game to another. In this issue, special types of trophies seem to have been organized and the game has been breathed into a new life. You can create a group if you want. You may be eligible to qualify for the Champions League with the groups you create. CLICK THE BUTTON BELOW TO DOWNLOAD THE 2010 VERSION (4MB), IF YOU WANT TO DOWNLOAD THE LATEST VERSION OF THIS 2015 GAME, CLICK ON THE BUTTON BELOW. :D License Emo Size :8.38 MB Language : English Cyber Foot 2010 is a football manager game with an ancient history. In the game, you can do what you want at manejerlik-on-mane. If you want, you can take players into the team, you can change players. The game is twice as fast as its pre-game versions, so you don't have to wait until the next game. In this new and exclusive version, the types of trophies seem to have been organized and breathed differently into the game. You can also form a group or take part in the Champions League with the teams you have created.
