

# GEORG BAUMGARTNER

ING. MAG.  
BAKK.

## HELLO, I'M GEORG.

With over 10 years of experience in business model innovation and value creation, and 7+ years in executive leadership, I connect people, ideas, and strategy to deliver measurable impact. My diverse career path equips me with a unique skillset spanning strategic leadership and operational execution. With experience bridging agile innovation ecosystems and corporate structures, I deliver results across both worlds.

In my private life I'm a loving family man and highly value family time.
