A bestseller with more than 100,000 copies sold. Master of sales and become a millionaire. Learn how to sell your product in the business world. Sellers Dogs is an international bestseller that has inspired small entrepreneurs, sellers and business owners around the world for nearly a decade. His message is clear: the difference between having a million dollar idea and really being a millionaire is your ability to sell your idea, concept, service or product. If you are looking for a job, recruiting an excellent team, selling services, increasing your capital, or just convincing you... Sales are your number one skill. Dog Sellers Will Help You: Identify five simple but critical income-generating skills that can leverage your purchasing power; Identify your breed of dog seller to take advantage of your strengths and experience of high efficiency; Overcome any fear, doubt or denial you have about sales; radically change your attitude in 30 seconds or less, so that you are at the optimal level of confidence in any situation; be able to change any no to yes - no matter who you talk to; Purchase the tools and tips you need to inspire and direct any ski sales. Similar to the audiobooks of Online Stories, Secrets, The Way. This is the premise that gave birth to the Youtube channel El Sendero de Ruben. But this podcast takes the same energy and multiplies it several times to create a place where you can share much more and in a much more intimate and fluid way. So I hope that here you will find something that makes you continue to walk, but much easier, really like every step in your life, and understanding everything that happens to us at every stage, with the tools in ... Ideas, art, language, science and curiosities. Get ready for an hour of words, biographies, inventions, history, literature, ephemerides, music, lyrics, phrases, movies, useless data, entertainment and more in this dose of ready-to-listen algaraba. A radio program that illustrates the history, culture and society of Puerto Rico. Robbie J Fry, Mad Gringo is convinced that creativity is a vital element of the human race. He moved to Colombia in 2012 after spending five years at Apple, studying to be a world leader in creativity and innovation. He is a public thinker, an ambassador of knowledge, a minimalist and an expert about absolutely nothing. In his podcast, he analyzes the creative habits, moments and tools that his listeners can use in their lives day in and day out. His current habits ca... History, science, advocacy... communion for troubled minds. Since 1996. Each episode summarizes the utility book for entrepreneurs or those who want to be one day. It could be business, sales, inspiration, motivation, education, HR, public speaking, economic management, relationships and networks. Podcast by Luis Ramos, entrepreneur and business evangelist.
