October 2026 Newsletter

A Year Filled with Creativity and Discovery

The first nine months of 2026 have been filled with exciting experiences, meaningful milestones and wonderful opportunities for our students to learn and grow through art. From festive celebrations and creative projects to examinations, competitions and educational outings, every activity has offered our young artists a chance to explore their imagination, develop new skills and express themselves in their own unique ways.

As we look back on these memorable months, we are proud of the effort, enthusiasm and creativity shown by our students. Here are some highlights from our journey together so far!

A National Champion — Congratulations, Yu Xuan!

We are proud to celebrate a remarkable achievement by our Yishun student, Yu Xuan, who emerged as Group B Champion at the Global Art Singapore National Art Competition held at Marina Bay Sands!

This victory is especially meaningful to us as Yu Xuan becomes our first National Champion since the Covid period. Following our Bedok student's Group A 1st Runner-Up achievement in 2024 and Yishun student's Group B 1st Runner-Up achievement in 2025, Yu Xuan's triumph marks another proud milestone in our students' artistic journey.

Congratulations to Yu Xuan on this wonderful accomplishment! Your achievement inspires us all and reminds us of what dedication, perseverance and a passion for art can lead to. We look forward to seeing our young artists continue to grow, explore and shine.

Celebrating Festivals Through Art

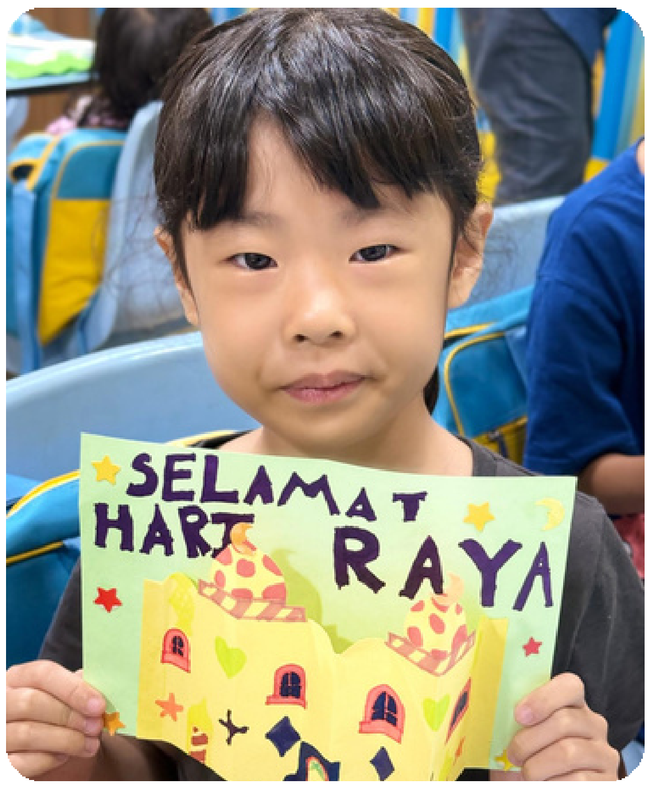

Festivals are wonderful opportunities for children to connect creativity with the world around them. Throughout the year, our students enjoyed creating special artworks and crafts inspired by Chinese New Year, Hari Raya, Easter, Mother's Day, Father's Day and the Mid-Autumn Festival.
Each themed activity brought its own colours, ideas and personal touches. Whether making a thoughtful gift for a loved one or creating festive decorations, our students discovered that art can be a joyful way to celebrate traditions, share appreciation and create lasting memories. We look forward to many more opportunities to celebrate and create together!

Learning Beyond the Classroom

Keppel Centre for Art Education

In June, our students enjoyed an educational outing to the Keppel Centre for Art Education at the National Gallery Singapore. The visit offered an opportunity to experience art in a different environment, discover new ways of looking at art and engage with creative ideas beyond the classroom.
Experiences like these help nurture curiosity and encourage children to observe, imagine, ask questions and explore different possibilities. We hope the visit will inspire our students to continue looking at the world through an artist's eyes!

GAMC Student Exhibition

In May, our Global Art Master Class (GAMC) students participated in the GAMC Student Exhibition in Anchor Point, providing an opportunity to showcase their artwork and share their creative journeys.
Preparing and presenting artwork allows students to reflect on their progress, take pride in their efforts and appreciate the different ways artists express their ideas. We are delighted to see our GAMC students continue to explore, experiment and develop their artistic voices.

Celebrating Effort and Achievement

Grading Examinations

April marked an important milestone for our students as they took part in their grading examinations. Following the release of results in July, certificates and medals were presented to recognise their progress and achievements.
We are proud of every student who took on the challenge. Beyond the results themselves, examinations provide valuable opportunities for children to practise perseverance, build confidence and appreciate the progress they have made through consistent effort.

In-House Competition

July also brought our In-House Competition, where students had the opportunity to challenge themselves, express their creativity and share their artistic ideas.
Every artwork represents time, effort and a willingness to learn, and these are achievements worth celebrating.

Congratulations to all our participants!

Exploring Creativity Through Deco Art

Our Deco Art projects have continued to give students exciting opportunities to explore different materials, techniques and ways of creating.

From Gold Sand Painting and character mugs to pillowcases and glass lamps, each project offered a different creative experience. Students could experiment with colours, patterns and decorative details while developing patience, care and confidence in their own ideas.

It is always rewarding to see how each student interprets a project differently.

PILLOWCASES

GLASS LAMPS

CHARACTER MUGS

GOLD SAND PAINTING

The finished pieces are not only creative works to be proud of, but also reminders of the skills and experiences gained along the way.

Young Artists: Celebrating Our September Stars

Every child has a creative voice, and we believe that every young artist deserves an opportunity to be recognised.

Our Young Artists feature celebrates students who have shown creativity, enthusiasm, dedication or personal growth in their artistic journey. We are pleased to bring this feature back in our October newsletter, showcasing a new selection of young artists from September.

To the students featured, congratulations! We hope you will continue to explore new ideas, enjoy the process of creating and take pride in every step of your artistic journey. To all our students, remember that every artwork is an opportunity to learn, express yourself and discover something new.

Keep creating, keep exploring and keep growing!

CHARLOTTE

Charlotte is a sweet and gentle little girl with a calm and quiet personality. She prefers to take her time and carefully observe what she is doing before moving on to the next step.

In class, she is usually focused and well-behaved, and she shows great care when handling her artwork. She enjoys adding little details to her drawings and is often thoughtful about the colours and elements.

Achievements:

- 2026 Global Art Yishun In-House Competition Group A Champion
- 2026 Mother's Day Contest, Group A Participant

One of the things that stands out in her work is the amount of care she puts into completing each piece. Rather than rushing through her artwork, she takes time to colour carefully and make sure the different elements come together nicely.

HONG MING

Hong Ming is a cheerful and well-behaved student who follows the teacher's instructions well.

He is also able to learn independently during class and completes his work with good focus. Hong Ming enjoys drawing cartoon characters, especially Pokémon.

Achievements:

- 2026 Global Art Bedok In-House Competition Group A Champion
- April 2026 Global Art International Student Grading Examination Gold Medal

Moving forward, we encourage him to challenge himself by drawing more difficult subjects and objects from everyday life.

ASHLEY

Ashley is a cheerful and confident young artist with a bright and energetic personality.

She is outgoing, independent, and works efficiently with good focus. She is confident in making her own creative choices and expressing her ideas through art.

Achievements:

- 2026 Global Art Bedok In-House Competition Group B 3rd Runner-Up
- 2025 Global Art Bedok In-House Competition, Group A 1st Runner-Up

Ashley's bold use of colour is one of her strengths. She enjoys experimenting with vibrant colour combinations and brings energy and personality to her artwork.

Looking Ahead: Our 23rd Anniversary Celebrations

From October to December, we will be celebrating our 23rd Anniversary! This special occasion is an opportunity to reflect on our journey, appreciate the families who have supported us and celebrate the creativity and growth of our students.

We are grateful to our parents for their continued trust, to our students for filling our classrooms with imagination and enthusiasm, and to our teachers for guiding and encouraging every young artist.

Thank you for being part of our journey. We look forward to celebrating this special milestone with our Global Art community and creating many more wonderful memories together!
