

SunTOCO®

Pure Sunshine Vitamin E

Sunflower and Palm-Derived Natural Vitamin E Series Empowering Health with Tocopherols and Tocotrienols

vitastore bio

SunTOCO® is a premium Chinese brand specializing in natural Vitamin E products, sourcing high-purity mixed tocopherols from sunflower and palm seeds and potent tocotrienols from palm, using advanced extraction and microencapsulation technologies. Our eco-friendly, solvent-free processes deliver stable, bioavailable concentrates and powders in oil and powder forms, ideal for nutraceuticals, supplements, cosmetics, and functional foods, while leveraging sustainable Chinese raw materials to minimize environmental impact.

More Than Antioxidants – Targeted Health Benefits:

Vitamin E compounds in SunTOCO® are powerful natural antioxidants renowned for their multifaceted health properties, backed by extensive research. Key benefits include:

- ✓ **Antioxidant Protection:** Neutralize free radicals, reduce oxidative stress, and support cellular health to combat aging and chronic ailments.
- ✓ **Heart and Cardiovascular Support:** Lower cholesterol levels, prevent clogged arteries, modulate lipid profiles, and promote healthy blood circulation for overall cardiovascular wellness.
- ✓ **Brain and Neuroprotective:** Enhance cognitive function, protect brain cells from damage, and support mental clarity against age-related decline.
- ✓ **Anti-Inflammatory and Immune Vitality:** Reduce inflammation, strengthen the immune system, and aid in warding off infections and inflammatory conditions like arthritis.
- ✓ **Anti-Cancer and Skin Health:** Potential prevention of certain cancers through anticancer activity; improves skin elasticity, hydration, and protection from UV damage.

Fully vegan, non-GMO, and compliant with global standards for clean-label products in markets like North America, EU, and Asia.

Available in oil concentrates (50-92%) and microencapsulated powders (19-35%), it offers customizable blends for optimal formulation flexibility and extended shelf life.

SunTOCO® natural Vitamin E is positioned as a high-end raw material for **health-focused applications, emphasizing antioxidant and anti-inflammatory claims**. Derived from sunflower seeds (tocopherols) and palm (tocotrienols), it supports premium formulations with science-backed solutions, including flexible concentrations for nutraceutical, cosmetic, and food industries.

We provide **versatile product lines** to meet your needs, such as oil concentrates for liquid applications and microencapsulated powders for dry blends, with options for custom stabilizers.

Our products enable potential claims positioned for your plant-based dietary supplements:

Product and Description	Form	Product Code	Content	Packing Size (kg)
Mixed Tocopherol 50% Light yellow to auburn, clear, sticky liquid	Liquid	MT-500	Min. 50% of RRR-tocopherols (α-, β + γ- and δ-tocopherol)	20, 50, 190
Mixed Tocopherol 70% Light yellow to auburn, clear, sticky liquid	Liquid	MT-700	Min. 70% of RRR-tocopherols (α-, β + γ- and δ-tocopherol)	20, 50, 190
D-delta Mixed Tocopherol 90% Light yellow to auburn, clear, sticky liquid	Liquid	DMT-900	Min. 90% of RRR-delta-tocopherol	20, 50, 190
Natural Vitamin E 65% (sunflower sourced) Oil, α-tocopherol from non-GM sunflower. Contains min. 65% total tocopherols	Liquid	NVE-650	Min. 65% total tocopherols	20, 50, 190
Tocotrienols 50% Oil (palm sourced) Yellow to red-brown clear oily liquid, mild and characterisitic odor	Liquid	TR-500	Min. 50% of tocotrienols and tocopherols.	20, 50, 190
Tocotrienols 70% Oil (palm sourced) Yellow to red-brown clear oily liquid, mild and characterisitic odor	Liquid	TR-700	Min. 70% of tocotrienols and tocopherols.	20, 50, 190
Tocotrienols 92% Oil (palm sourced) Yellow to red-brown clear oily liquid, mild and characterisitic odor	Liquid	TR-920	Min.92% of tocotrienols and tocopherols.	20, 50, 190
Tocotrienol Powder 19% Spray dried, starch-based	Powder	TR-19P	Min. 19% of tocotrienols and tocopherols.	5, 25
Tocotrienol CWS Powder 35% Spray dried, cold water dispersible, starch-based	Powder	TR-35P	Min. 35% of tocotrienols and tocopherols.	5, 25
Mixed Tocopherols 30% CWS Cold water dispersible powder, starch based	Powder	VE-30PN	Min. 30% total tocopherols	5, 25
Vitamin E 700 CWS Spray dried, cold water dispersible, starch-based	Powder	VE-700PN	Min. 700 IU Vitamin E/g and 515 mg/g RRR-α-tocopheryl acetate	5, 25

* Main/active ingredient originating from natural materials. May contain formulation ingredients not matching "natural" definition.
