You will also learn how to conduct a family history to uncover possible sources of identity. There is so much to learn. You will learn that anyone can be whoever you choose to be. If you feel comfortable with who you are and what you are doing, you will have no problem telling people. The homosexual community has a lot to offer. There are many different ways to understand what it means to be homosexual, bisexual, or transgender. Every person has their own thoughts and feelings about their sexual orientation and the world of sexual preferences. There are so many different ways to explore your orientation. You may find that you want to be with the opposite sex, same sex, or another gender. Sometimes people choose to stay in the closet and not to let anyone know. At other times, people want to discuss their life with their family, friends, or coworkers. Some people don't even tell their family members, because they don't want to upset them. For some, the only person they want to tell is a member of the homosexual community. When a person decides to enter into the world of homosexuality, he or she will have to look for a space to be accepted. The homosexual community has many clubs, shops, and services to offer. The names of these businesses can be confusing, but you will have to learn what they mean. As you explore your identity, be sure to keep a positive attitude. No one can take away your happiness and freedom. No matter how much someone tries to control your thoughts, actions, or identity, you are always free to be yourself. "Gay & Lesbian Pulp Fiction" is a collection of many stories that show readers what it is like to be a homosexual, bisexual, or transgender person. Each story written in the first-person style, will allow the reader to see what it is
