Minamma's father, Durgeshwar Durgesh Ajagusundaram, is an influential head of the local mafia in Tamil Nadu. Rahul (Shah Rukh Khan) helps Minamma (Deepika Padukone) get on the train, a parody of the famous train scene in the 1995 film Dilwale Dulhania Le Jayenga Meenamma takes Rahul to Durgesh and introduces Rahul as his lover. Tangalli challenges Rahul to a duel that Rahul unknowingly accepts due to a lack of knowledge in Tamil. On the night of the duel, Rahul escapes with the help of a local police officer Shamsher, but finds himself on a ship with Sri Lankan terrorists and smugglers. On the way back, Rahul realizes that he has fallen in love with Minamma, and does not tell her where they are going. He returns Minamma to Durgesh and tries to make him understand and honor Minamma's desire. He also tells Minamma that he loves her. Legal problems along with Once Upon ay Time in Mumbai Dobaara!, Chennai Express was originally abandoned by Pakistani distributors and exhibitors because four Pakistani films were released on the same day. Release dates were rescheduled for August 15 and 9, respectively. While filming, the film's unit ran into trouble because of the use of too much water from the Dhom Dam, in the drought-stricken Satar district of Maharashtra state. The Minister for Relief and Rehabilitation of the State of Patangrao Kadam addressed the issue. The film's poster and trailer, released on Twitter and YouTube, was criticized by some Tamil media for portraying Tamil ethics. They said that Paducone's highly stressed dialogue resembled Malayala's accent, not Tamil's. Paducone defended the film, stating that it did not parody South Indian culture and that most of the crew, including herself, were South Indian. She later asked, Why should we deceive our own culture? On 31 July 2013, maharashtra Navnirman Sen's nationalist political party threatened to disrupt the film's premiere; that she was trying to knock out Marati Marati's current popular movies cinemas that show only one movie at a time. The party was upset by reports that Distributors of Chennai Express demanded premiere slots in single-screen cinemas, as well as in some multiplexes, where The Superhit Marati film Duniyadari has been popular since July 19. On August 1, 2013, both directors, Rohit Shetty and Sanjay Jadhav, were summoned by Raj Techkerei to find a solution. After hearing both sides, Thackeray ruled that if Dunidari was not removed from a single-screen movie theater across the state, MNS would not oppose the release of the Chennai Express in Maharashtra State. Chennai Express has been released in 10 languages. The critical reception of Chennai Express has received mixed reviews from critics around the world. India's Taran Adarsh of Bollywood Hungam gave the film 4 out of 5 stars and wrote: Overall, Chennai Express has a trademark of Rohit Shetty stamp. You are looking for entertainment, entertainment and entertainment in a movie like Chennai Express and the movie lives up to the hype and hoopla around it. Raciit Gupta of Filmfare rated the film 4 out of 5 stars, saying: The film is filled with humorous works and colorful loki and songs. Rohit Shetty makes films in the style of chettinad masala. And that's the perfect description of this movie. If you don't plan to engage in multifaceted critiques of dramatic elements and storytelling, this movie can be fun. SARITA Tanwar of DNA gave the film 3.5 out of 5 stars and said: It's fun for all Hindi lovers. It has all the ingredients that you would expect from a great commercial film masala-great cast of stars, drama, action, comedy, songs, car chase and great trim, all delivered in an irreconcilable ishtail and Rohit Shetty ... All in all, it's a blockbuster chewing gum. Mina Ayer of the Times of India gave the film 3.5 out of 5 stars, saying: Chennai Express is a superbly edited film. In an ode to his own film-read series Golmaal or Bol Bachchan, Rohit Shetty, the director, who has grossers in the Bollywood 100-crore club, raises the scale for his offer Of Eid.Paduone received a mostly positive response from critics. Saibal Chatterjee of NDTV gave the film 3 out of 5 stars and said the heartfelt zeal that SRK and Deepika bring to the table and a steady stream of funny one-liners serve Shetty's purpose well, turning the Chennai Express into a full-blown masala film that is completely unapologetic about its intentions. And this is his USP Unique Selling Point. See News rated the film 3 out of 5 stars, saying that if you ignore platitudes, lack of kick in the script and predictability, then the person on board for a fun ride with the Chennai Express. India today gave the film three stars: First good news. Chennai Express is a pleasant and enjoyable film piece by piece. The bad news is that he does nothing for the indomitable Shah Ruh Khan power, except to tell us that he can still play 40-year-old Rahul without crashing. India TV's Abhishek Gupta gave him 2.5 stars and wrote: Comedy with action is rarely served with equal entertainment in modern cinema. We distinguish Rohit Shetty for his massive leisure, which includes cars fluttering from unknown angles and a comedy that doesn't slap but work. Critic Baradwaj Rangan wrote: However, given the material, Shetty does more right than wrong... Shetty fashion Shah Rukh Khan showreel, borrowing bits from his greatest hits, and giving us an unlimited star avatar that the star himself seemed somewhat ashamed of lately to embrace. Shubhra Gupta of The Indian Express gave the film 2.5 out of 5 stars, and wrote that the film comes with some really funny moments. She praised Paducone's appearance, although she criticized aspects of her stage skills. Sucaria Verma, from Rediff.com gave the film 2.5 stars, saying: Chennai Express causes a few laughter, but otherwise he decides to move the tracks from amusing comedy to terrible drama. Khalid Mohamed of the Deccan Chronicle gave the film 2.5 stars and wrote: Chennai Express board at its own risk. RAJiv Masand of CNN-IBN gave the film a 2/5 rating and said the film was big, fat bore. He noted that Chennai Express was a bloated vanity project, and believed that the lead actor could have worked out better. Anapama Chopra gave the film 2 out of 5 stars and said: Chennai Express does not play either rohit's strengths or Shah Rukh's. It's a strangely sloppy mishmash of cheesy humor, a half-hearted novel, half-baked emotion and head-pounding action. The film is filled with giant men whose size functions as a punch line. Mayank Shekhar of Dainik Bhaskar rated him 1 star out of 5, saying: Did you pay for the ticket? Yes. Now just sit back and suffer. Raja Sen of Re-diff gave the film 1 out of 5 stars and said: Shah Rukh Khan squeals and squeaks, screams and bares fangs and sulks and, well, exhausts himself, overcompensating himself at every turn, despite the fact that no one else in the film follows this pattern. Overseas Rachel Saltz of The New York Times wrote: Chennai Express feels like a sumptuous meal with carefully selected wine and delicious snacks, but a bad main course. Money and Visual Care have been lavished on this Bollywood action comedy-romance and glossy stars engaged (Shah Rukh Khan and Deepika Padukone). But the film chugs together for most of its 2 hours and 20 minutes in search of comedy and characters in a desperately overplotted story. Sneha May Francis of Emirates 24/7 wrote: Rohit Shetty's (h)tyle romance relies heavily on jokes and will be applauded mainly by Shah Rukh Khan's loyalists. She added: Rohit Carnival as comedy coaxes some but can leave you exhausted. Sneha said that performance overshadows that Khan. Variety's Ronnie Scheib wrote: Shah Rukh Khan and Deepika Padukone are bad in this overloaded comedy/romance/action... Shetty's need to maintain the romantic heroism of his characters constantly grates against his portrayal of their absurdity. Simon Foster of the Special Broadcasting Service gave the film two stars out of five and described it as a loud, lame romantic comedy from Rohit Shetty's (very) broad directorial brush, an over-hyped SRK car seeing a charismatic but aging actor, badly wrong and easily overshadowed by his leading lady, Dipika Paducone.
