Growing with Global Art: What's New & What We're Proud Of!

At Global Art, we're proud to have nurtured young talents for over **26 years**, helping students build strong foundations in **drawing and colouring** while unlocking their creative potential.

To support our students' progress, we introduced the **International Grading Examination**, which provides a clear roadmap to track skill mastery and artistic growth over time.

We also believe in developing soft skills through art. Our **structured annual competitions**—ranging from in-house to national and international levels—encourage students to build **perseverance, time management, creative thinking under pressure, and confidence**.

Our curriculum is constantly evolving to keep up with the times! Over the years, we've added **cartoon drawing** and **art history** into our core programs, and introduced exciting new tracks like **Cartoon & Comic Drawing** and **Acrylic Painting**.

To offer even more ways for students to explore their creativity, we've also launched enrichment programs such as **G-Clay, Art & Craft, Cultural Art**, and **Deco Art**.

☀️ **Coming Soon**: Starting **May/June 2025**, we're excited to announce that **Deco Art** will be part of our **core programs**! This means even more hands-on, decorative, and creative experiences for our students—broadening their skills and artistic exposure.

Thank you for being part of the Global Art family, and for supporting your child's creative journey with us!

Congratulations to Our Students!

October International Grading Examination Results Are In!

We're thrilled to announce that the results for the **October Global Art International Grading Examination** have been released—and we couldn't be prouder of our students!

🎉 **Every participating student received either a Gold or Silver medal**—a fantastic achievement that reflects their hard work, dedication, and artistic growth. From mastering techniques to expressing their creativity with confidence, each child has shown tremendous progress.

A big **congratulations** to all our young artists for their wonderful performance, and a heartfelt **thank you** to our supportive parents and committed teachers who guided them along the way.

Let's continue to create, grow, and shine together! 🌟

Bringing Art History to Life for Young Minds

At Global Art, we believe that understanding the “why” behind art is just as important as learning the “how.” That’s why we’ve introduced **Art History lessons** as part of our students’ creative journey!

In these engaging sessions, students are introduced to **famous artists, timeless art movements, and iconic masterpieces** in a way that’s easy to understand and fun to explore. Whether it’s learning about Van Gogh’s swirling skies, the bold shapes of Picasso, or the colourful world of Matisse, these lessons spark curiosity and deepen appreciation for the rich world of art. To make learning even more exciting, each lesson is paired with a **related hands-on craft activity**. This helps students connect with what they’ve learned by applying it creatively—whether through collage-making, stylized painting, or sculpture-inspired crafts.

It’s a fun and meaningful way to:

Boost creative thinking

Explore different cultures and time periods

Encourage self-expression through inspired art-making

By blending knowledge with hands-on experience, we help young artists build a strong foundation not just in skills, but also in understanding the beauty and history behind the art they love.

Keep an eye out for their amazing history-inspired creations—we’re sure they’ll impress you!

Celebrating Cultures Through Art & Craft

At Global Art, we believe that art is a wonderful way to bring people together—and that includes celebrating the rich tapestry of cultures around us!

As part of our lessons, we now include **simple yet meaningful art and craft activities themed around different festivals**. Whether it's Chinese New Year, Hari Raya, Deepavali, Christmas, or other cultural celebrations, these festive projects give students the opportunity to explore traditions from all walks of life in a creative and joyful way.

Through these activities, students not only develop additional **hands-on skills**—such as paper crafting, design, and fine motor coordination—but also learn about the **values and stories behind each celebration**. It's a fun, engaging way to foster appreciation, respect, and understanding for the diverse world we live in.

By weaving culture into creativity, we hope to nurture young artists who are not only skilled, but also open-hearted and globally minded.

Let's keep learning, creating, and celebrating—together! 🌍🎨🌟

Let's Meet Our Rising Stars at global Art - Young Artists of April 2025

"Natasha" 🌈 (Age: 11)

****Joined:**** December 2020

****Level:**** Started at Foundation 3, now at Basic Level 2

****Competitions and Achievements:****

- Participated in 2021 Global Art Singapore National Art Competition (Group B)
- 2022 Global Art Bedok In-House Competition – 3rd Runner-Up (Group B)

Natasha's got serious creative vibes! She's full of fun ideas and isn't afraid to try bold techniques in her artwork. Confident and expressive, she's always ready to share suggestions with friends who might be stuck. Natasha's got an eye for colour—her pieces are vibrant, clean, and super pleasing to look at. Plus, she's that friendly, helpful classmate everyone loves having around. Keep it up, Natasha!

"Amanda Oh" 🌈 (Age: 6)

Joined: August 2024

Level: Started at Foundation 1 and now at Foundation 2

Competitions & Achievements:

- Participated in 2024 Global Art 21st Anniversary Competition Group A
- Consolation Prize for 2025 World Water Day Art Contest Group A

Amanda is a bubbly bundle of joy in class! She loves cute things—think Sanrio and princesses—and her drawings totally reflect that sweet, cartoon vibe. She's learning to draw bigger and use lighter strokes, and with every sketch, she's getting better. Amanda really shines when there's some step-by-step guidance and a bit of encouragement.

Amanda, your bright energy and love for all things cute totally light up the room! Keep drawing big, keep practicing those gentle pencil strokes, and never stop creating. We're super proud of how far you've come, and can't wait to see more of your adorable artwork!

"Amelia Oh" 🌈 (Age: 8)

Joined: August 2024

Level: Foundation 3.

Competitions & Achievement:

- Participated in 2024 Global Art 21st Anniversary Competition Group B
- Participated in 2025 World Water Day Art Contest Group B

Amelia is Amanda's awesome big sister—and you can totally see that caring, responsible vibe in her! She's just as cheerful and fun, but also super independent in class. She loves drawing cute characters like Sanrio and princesses, and she's been working hard to complete her artwork on her own.

She's learning to draw bigger and getting better at shading with pencils too. With a little more practice, her already adorable cartoons are going to pop even more! Amelia, you've got a great mix of creativity and focus. Your art is getting stronger every week, and we love how you take ownership of your work. Keep having fun, keep challenging yourself, and let that joyful spirit guide your drawings! 🎨 🌈

"Iris Soon" (Age: 10)

Joined: November 2021

Level: Started at Foundation 1, now at Acrylic Junior

Competition & Achievement:

- Platinum Prize in 2024 Global Art Yishun Year-End Exhibition
- Grade B at 2023 October Global Art International Grading Examination Foundation Level.
- Participated in 2024 Mother's Day Colour Contest

Iris is a friendly soul who gets along with just about everyone, no matter where she is. Her cheerful nature makes class feel welcoming and fun, and her classmates always love working with her.

Art-wise, she's grown a ton—especially in how she uses light and shadow to bring her paintings to life. Her brushstrokes are confident and full of emotion, and she's gotten really good at noticing and painting all the little details.

Going forward, focusing more on figure drawing and practicing human anatomy will really help her level up even more.

Iris, your warm personality and dedication to art are such a joy to see! Keep challenging yourself, especially with figures and anatomy—you've got what it takes to take your art to the next level! 🌟 🎨

"John Bautista" (Age: 8)

Joined: August 2023

Level: From Foundation 1 to Foundation 3

Competitions & Achievements:

- Participated in 2024 Global Art 21st Anniversary Competition

John may be on the quiet side, but wow—he's sharp, helpful, and such a fast learner! He picks things up quickly and always pays attention in class. Even though he's reserved, he's not shy about lending a hand to his classmates when they need it.

His colouring is especially impressive—his attention to detail and colour choices really stand out. With just a bit more drawing practice at home, his lines will become even steadier and more confident.

John, your calm focus and thoughtful approach are amazing! Keep drawing, keep colouring, and don't forget to challenge yourself a little each day. You're doing great and we can't wait to see your progress shine through even more! 🌟 🎨
