This movie was filmed in a few weeks. So the DVD will not reflect its great quality and action. Story After being betrayed by the Police, Blaine experiences a killing spree as he takes out every cop in town. Then he meets Charlie who was shot in the back. After healing from the wounds, Blaine decides to help her while one of the cops goes after Blaine. Recap They are back together with Blaine on the run for his next kill. But when Blaine plans to make a big score, Charlie reveals something that will

change everything in the movie. Review Wanted is a beautifully filmed movie, shot in an entirely different style from the other action movies. The writing is quick and sharp, the dialog is punchy, and the action is fast and furious. Wanted is a very exciting and thrilling movie, with an incredibly well-paced plot. The writing, direction, and acting are all excellent. When I finished it, I found myself anxious to get my hands on the DVD and make this one into a marathon of action. Movies like this are, in the end, the reason we write about movies. Because we want to see other people enjoy the same pleasure that we experienced. That's why

it's so important to give honest reviews. It's not only the process of watching the movie that's enjoyable. But the way you describe it and what you appreciate. So, I'm going to keep writing reviews. I'll also be doing these once a week. Let's hope you enjoy the reviews, and I'm so glad you've decided to join us. Rating: 9/10 More than 50 people have been shot. None of them make it to the hospital. And everyone who matters is dead. Wanted was the first movie I ever reviewed for any kind of site. It was a lot of fun. And I look back on it now and still enjoy it. I thought the story was interesting and well-paced. I liked the characters and even though I don't know what happened to them, I still feel like I understand them. I feel like I know what's going to happen. I didn't think much of the acting or cinematography. I found them to be a little dated. But it was the
