Use hard backed envelopes if at all possible and separate photographs with tissue paper (or similar). If padded envelopes are used, ensure that the prints are protected by cardboard larger than the mounted photograph.

- It is suggested that competitors do not use quantities of adhesive tape. It can be a hazard to the surface of other prints. Brown gummed tape is preferable.
- Any writing should always be on, or attached to, the back of the mount.
- On no account should paper clips, staples, etc. be used on the mounts.
- Digital imaging is permitted. No manipulation except basic overall adjustment faithful to the original image is allowed.

Competitors are required to send a completed entry form with their photographs. Photocopies of the entry form are acceptable on any colour of paper.
