

Full Stack Engineer Internship

Job Description | May 2023

[Wysa](#) is the world's most advanced AI-based digital companion for behavioral health that is a global tech leader in mental health. We are popular with employers, payors and healthcare providers due to its scalability and low cost. Being an AI based app, Wysa overcomes the stigma and privacy concerns that often prevent people seeking help for their mental health.

Market leader with demonstrated scale & impact

Roles & Responsibilities

Location: Remote, Indian Standard Time

Experience Level: Fresher

You will hold the beacon for **development and user experience** at Wysa, while helping us scale from 5 million users to 50 million users

- Write clean, efficient, and maintainable code
- Build performant and effective new features by participating in the overall application lifecycle
- Build modular, reusable, performant, and optimal features - Code, debug, troubleshoot, deliver
- Collaborate with cross-functional teams to identify and resolve issues
- Participate in code reviews and provide feedback to improve code quality
- Continuously improve stability and performance of Wysa’s tech platform
- Be the user’s voice and help make product decisions
- Exhibit knowledge and behavior to adopt Information Security and Privacy practices at their work.
- Maintain the Confidentiality, Integrity and Availability of all information or assets shared and assessed by you
- Adhere to Wysa's security, privacy and compliance policies and procedures
- Knowledge about secure SDLC and privacy best practices

Qualifications & Skills

Requirements

- Currently pursuing or recently completed a degree in Computer Science, Software Engineering or related field
- Strong understanding of HTML, CSS, JavaScript and related web technologies
- Experience with front-end frameworks such as React
- Experience with back-end web development using Node.js or Python
- Familiarity with responsive design and mobile-first development
- Ability to work independently and as part of a team
- Strong problem-solving skills and attention to detail

Bonus Skills:

- Familiarity with database systems such as MongoDB
- Knowledge of RESTful API design
- Familiarity with version control systems such as Git
- Knowledge of Agile methodologies
- Want to interact with all levels of the company including senior leaders and cross-functional teams

Why work at Wysa?

At Wysa, we do things a bit differently. You won't find us stuck in the same old corporate loops of old-fashioned hierarchy and mindless monotony. Instead, you'll find us in the cyberspace (*we're a remote company*) revolutionizing traditional mental healthcare and creating the world's most advanced conversational AI for behavioral health, all while wearing a party hat via Zoom filter!

- Wysa is expanding its footprint across the world, and fast. You will play a **high-impact role** here!
- Get first-hand exposure to a global team
- Work with the Industry leaders as the founders and senior team members are from IITs, IIMs, London School of Business and have held top positions across Goldman Sachs, Pearson, Microsoft leading cross functional global teams
- We offer **flexible work hours** and a culture where you are more than just your job designation.
- We work hard, but we rest and avoid burnout at all costs. Expect a range of employee benefits and much more!

In Their Own Words

"The most noteworthy thing I get from Wysa is 'learning' and skill set development. Through Wysa, I am able to improve my thought process as we implement a wide range of applications. I get a good exposure to the whole product and it gives me a kind of completeness. I am also able to explore things on a much deeper level which helps me to enhance my productivity. Also, the team is very welcoming in accepting any new initiatives."

- Rakesh Makam, Lead Backend Developer

Buzzwords

Google funded, VC funded, profitable, has achieved breakeven, global team, global customers, product company, Apple awarded product, Harvard research partner, Google Play Best App of 2020, supports patients through the NHS pathway, launched the Employee Mental Health Report 2023 at the WEF's Annual Meeting, Made in India, Made for the World!
