IronHike Endurance Series - Mohawk Mountain, Connecticut, USA

Thu October 2 - Sun October 5, 2025

Welcome

Welcome again to Mohawk Mountain for the final IronHike Endurance Series of the year!

Since our inaugural event in the fall of 2023, it has been our honor to provide a venue where you can push your limits to heal, transform, and inspire. What started as just an idea has now grown to 174 total signups from over 30 states in the U.S. and Canada.

We have watched our tribe grow, bringing together Mountain Athletes from across the country and beyond. To all our returning tribe and the veterans and first responders who make this group so special, we are truly honored to have you with us.

Our network of sponsors and partners has expanded, helping us strengthen the event and foster new connections. To support you year-round, we now offer recorded coaching sessions, tribe community calls, podcasts, and blogs that share the inspiring stories of our mountain athletes.

This year, we're keeping the energy building with the staggered-start and all-finish format. We'll have a local food truck on-site again, and we'll celebrate your achievements with awards and recognition at the end of the series on Sunday.

This experience is about creating lasting memories, changing your story, and conquering your summit. See you at the bell!
