POSSIBILITY MANAGEMENT NEWS

January 2024

Dear Possibilitators,

This January 2024 Newsletter brings to you the latest evolution of the [Possibility Management Healing Village](#), from our perspective. You probably have a different perspective, because we are individual human beings, each with our own perspectives. One question on the table here is, can we make use of the richness of these diverse perspectives while co-creating together as a [Team](#)?

[Creative Team Collaboration](#) does not mean to sacrifice your [Authority](#), your [Radical Freedom](#), your [Voice](#), your [Center](#), your [Archetypal Lineage Mission](#), or any of that. On the contrary, it means to amplify your [Resources](#) beyond what you might be able to imagine at the moment.

For example, the Placeholder Team for the Healing Village Telegram Group – [Anne-Chloé Destremau](#), Nicole Nette, [Gabriel](#)

[Hudry Lechemin](#) (and recently departed from the Team, [Nicole Hartley Bradford](#)) – have been wrestling with the question of [stewarding](#) a [Circular Healing Village](#) (i.e. [nonhierarchical](#)) with Integrity, Love and Empowerment as a Map for future Healing Villages to come.

For the past 3 years, the PM Healing Village was anchored in the Emotional Healing Collaboration (EHC) Telegram group. We noticed that the EHC was sometimes used as a ‘free-cathartic-emergency-hotline’.

We realized that it is now time for this Village’s next radical [Gameworld Evolution](#).

We are now clear that the central purpose of the PM Healing Village is to **train [Edgeworkers](#) - meaning: you! - in basic and advanced skills in [holding space](#) for [Emotional Healing Processes](#) (EHP) contexted in [Radical Responsibility](#) using Possibility Management [Thoughtmaps](#) and [Tools](#) and [Processes](#).**

Whatever your Possibilitator Specialty is – [Archan Permaculture](#), [Communication Bridger](#), [Possibility Mediator](#), [Rage Club Spaceholder](#), [Feelings Practitioner](#), [Bridge-House](#) Steward, [Initiator](#), [Riftwalker](#), [Gameworld Builder](#), ... holding space for EHPs is a basic skill for any [Archan](#).

Becoming an Emotional Healing Process Spaceholder happens through:

1. Training yourself in Basic [Inner Navigating](#) Skills
2. Going through your own first 25 EHPs held by trained EHP Spaceholders
3. Delivering 50 EHPs for others with feedback and coaching from your Clients and Colleagues.

An Emotional Healing Process is a [facilitated](#) Transformational-change experience. An EHP is not psychoanalysis, or therapy. Nor is it breathwork, energy healing, chakra reading or reiki. While many of you have been trained in other healing modalities, an EHP does not equate to other [methods](#), because different methodologies emerge from different [contexts](#). Often, other healing modalities do not start from [Radical Responsibility](#).

An EHP is not Catharsis. An EHP is a [Cathexis](#) process in which the Client of an EHP *uses* the information and energy of their Emotional Body to *transform* their [Being’s](#) shape. An EHP is a doorway to a new [Identity](#) and a new interaction with the world. Catharsis does not accomplish these things for you.

Therefore, the first step to be an EHP Client is to practice Basic Inner Navigation Skills, such as:

- The ability to [Inner Navigate](#) your [4 Feelings](#) and [4 Emotions](#) [Consciously](#). A shift of Identity requires a [Liquid State](#), a death of the old identity for a new identity to be born. In the Liquid State, you will feel something. Without clear and powerful Anger, Sadness, Fear, and Joy Inner Navigation skills, either you will avoid the Liquid State altogether, or

the Liquid State will bring you no new shape because you stop at the level of mere Catharsis instead of going for [Cathexis](#).

- The ability to distinguish and let each of your [5 Bodies](#) speak and be nourished. Especially, learning to distinguish between your Mind and your Heart, and learning to [Hit Bottom](#) and stay there.
- The ability to [Be Centered](#), [Grounded](#) and [Bubbled](#). In Modern Culture, you have been trained to give our center away to your 'healers' (and many other imaginary 'authority figures'). In Archiarchy, [Healing](#) is Growing Up. Healing is gaining [Authority](#) and [Agency](#) in domains you previously were in childish survival about, for [Eye Of The Needle](#)'.
- The ability to distinguish your [6 Egostates](#). This helps you ongoingly and in real-time answer the question, "*Which 'I' is speaking?*" for yourself, and others, whether they are interested in the answer to that question or not.
- The ability to [Speak](#) into a Vacuum [Listening](#) space, and in reverse, the ability to Listen as a [Vacuum](#). You might be so accustomed to automatically [justifying](#) yourself even in your own mind, that you do not know who you are when you are not defending yourself. Which [Parts](#) of your Being can show up when the connection is safe from [opinions](#), [beliefs](#), [judgments](#) and [assumptions](#)?

For this purpose, the PM Healing Village has just been reborn with now 5 main structures:

1. **The EHP APPRENTICES**
2. **The EHP COLLABORATIVE**
3. **The POSSIBILITY COACHES**
4. **The GAMEWORLD CONSULTANTS**
5. **The FEELINGS PRACTITIONERS**

You can find the context and rules of engagement for these different centers detailed in the [PM Healing Village](#) website.

In short,

1. The **EHP APPRENTICE** is open for anyone wanting to develop skills to be an EHP Client while preparing yourself to become an EHP Placeholder. This is the space to train yourself in BASIC INNER NAVIGATION SKILLS. You have access to a monthly [Skill-Up Training](#) session with experienced placeholders, and a weekly [EHP Dojo](#). Join the Telegram group here: <https://t.me/+v1CzwdAoc6dkYjVh>

2. The **EHP COLLABORATIVE** is the center to train yourself (and empower others to train) as an effective, powerful, and clear EHP Placeholder SO THAT you can walk into any gameworld on planet Earth and offer Emotional Healing Processes to liberate the potential of your fellow [Edgeworkers](#). Join the EHP COLLABORATIVE if you fulfill the requirements. Please read the rules of engagements on the PM Healing Village, and if appropriate, reach out to [Anne-Chloé Destremau](#) or

[Gabriel Hudry Lechemin](#) to be added.

3. The **POSSIBILITY COACHES**

(<https://possibilitycoaching.mystrikingly.com>) are the Possibilitator Training Specialty where Possibilitators learn together and train each other to develop and deliver a wide range of powerful Possibility Coaching processes to individuals. Reach out to [Sabine Lange](#) or [Vera Franco](#) to be added.

...and stay there.
How can you tell you are at Bottom?
There is nothing left to lose.
You have no more [Stories](#).

A Story is something you cling to as a life ring, as if the Story could help you **survive**.
But what survives in Stories is not you. It is your **Box**.
Having a Story means you are not at the Bottom because you still have something left to lose.
