NATURE WALKS/ TERM BREAK CAMP DAYS OFF-SITE/ONE-OFF EVENTS

We like to follow the seasons and see how nature changes throughout the year.

We monitor the weather and find fitting locations with shelter if needed . A little rain will not scare us off, we like jumping in rain puddles but sometimes we encounter very rainy days...

For Nature Walks, any programs not held at Mulberry Tree on-site/one-off events outdoors if the weather is really unfavorable for an enjoyable running of the program, the Nature Program leader will notify the parents at the latest 2 hours before the start time of the event.

Participants will have the choice between refund/make-up session/use credit on our regular Saturday programs.

NIGHT WALKS (5pm- 8pm)

Night walks are nice and provide enriching experiences for the young and old!

As we will move around in the forest ,the trails will be dark and the environment exciting!

Many factors play for night walks to be enjoyable, the weather conditions have to be good as well as safe.

- a. If the weather is not suitable to host the night walk our Nature Program leader will notify the participants latest by 3 PM on the day of the night walk regarding cancellations. In this case, we will contact you to reschedule the night walk to a later date.

- b. If the number of participating families on a scheduled date is less than FOUR (4) families, we reserve the right to cancel the night walk on that day. Participants will be notified by our admin to reschedule the night walk to a suitable date.

Important note:

Please note that Mulberry Tree reserves the final rights to cancel any program if the circumstances are deemed not safe (outbreak of disease, weather, emergency etc.). In such cases, the parents will be notified at least 1.5 hrs before the programme starts and a make-up session will be arranged.
