It's frustrating, but the fun game will stretch your thinking skills in directions you never expected. Every question has a logical answer, it just might not be very obvious! Instructions: Just play the game, remember your answers as you go and you get a little further each time. Purpose of learning: To be able to explain logic in matters that initially seem impossible. Plenary questions: (i) What strategy did you develop to get as far away as possible in the game? (ii) Can you explain the logic behind the question below? (iii) Were there any questions you found the answer to but couldn't explain? Can someone else in the class explain the logic of the answer? Many issues have double meanings, tricks and mutters and require you to think outside the box. Of the four answers, only one answer is right. There are 110 questions in total. You only get three lives and you lose one with every mistake you make. This original game works without Flash on any device. Have you answered all 110 questions? Play Impossible Quiz 2. How to play the quiz Impossible? Click the correct answer from the four options. Use skips to skip certain game issues. Watch out for bombs that have a timer to answer questions before time runs out or it's game over. What are the right answers to the question? Spoiler alert. These are the answers to the first 10 questions: Four No, but tin can K.O ANSWER Move the mouse out of and around the game and then back to the next question Shallots Elephant Find the green tick in the top right 'THAT ONE' Who created the Impossible quiz? The Impossible Quiz was created by Splapp-me-do. He also created a sequel to The Impossible Quiz 2 and 🎄 a Christmas themed quiz: Impossible Quiz. The Impossible Quiz is a unique puzzle game with a great sense of humor, unexpected twists and quizzes unlike you've ever seen before! Go through a series of questions and choose the right answers from the four suggested options. Some will require you to use logic, others – fantasies and sometimes have to guess directly what a solution is. After some trial and error it is, in fact, possible to understand and reach the end. One thing to keep in mind about this game: it doesn't play by the rules of ordinary puzzles and quizzes. In fact, sometimes he doesn't even play by his own rules. Expect the unexpected is the only principle you should keep in mind when trying to answer any particular question. Each Impossible Quiz game session starts with 3 lives – essentially, they indicate the number of mistakes you can make throughout the quiz before the game is over. From time to time, correctly answering a few questions in a row, you will be awarded special Skip bonuses that allow you to skip a particularly complex puzzle. Some issues have timers presented with bombs that can go off if you don't have enough time – be careful and make sure you're ready for anything! Impossible quiz answers Initial stages of the game can get particularly tough for new players. If you're having trouble, here's a quick guide to solving the first ten puzzles to get you started: Four No, but the tin can O. ANSWER Click and hold the left mouse button, move straight to the destination point Shallots Elephant Find the green tick Top Right 'THAT ONE' Dentures Hope these tips will help you get the potential impossible quiz unlocked and pave the way for the rest of the experience with minimal disappointment. Success! Good luck!
