

## Prayer Against the Spirit of Pride

**F**ather, I come to you in Jesus' name to request help in breaking the spirit of pride over my life. I accept the finished work of Jesus on my behalf and confess Him to be Lord over my life. I depend upon His righteousness and grace for life, and therefore I have no claim to righteousness, ability, skill, gifts, callings, or glory. All is of you.

I acknowledge the presence of the Holy Spirit in my life and give full authority to the Spirit to assist me in totally rejecting and renouncing the spirit of pride, and the sin of pride in my life. This includes vanity, perfectionism, judgmental spirit, accusing and condemning spirit, unhealthy competitiveness, scorn, mockery, selfishness, self-righteousness, self-exaltation, gossip, boasting, sarcasm, unforgiving spirit, stubbornness, personality, and all other elements of pride.

I take authority over all spirits of pride operating in my thoughts, attitude, emotions, and temperament, and command them to loosen their hold upon me forever.

I ask the Holy Spirit to please correct my heart, thoughts, emotions, and attitude, and liberally supply the character of Jesus to help me bear the fruits of meekness and humility in my life.

I ask you to forgive me of all who I have injured by pride and to help me to have healthy relationships that glorify you. Fill all deficiencies, conscious and unconscious, that I have been masking and help me to be as transparent as the Holy Spirit needs me to be in order to enhance your community of believers in love.

Help me to keep all prideful doors shut and give me discernment to detect and reject all pride-seeking attachment and expression in and through me. I ask all these things in Jesus' name and thank you for your deliverance. Amen.
