In Their Own Words

“The most noteworthy thing I get from Wysa is 'learning' and skillset development. Through Wysa, I am able to improve my thought process as we implement a wide range of applications. I get a good exposure to the whole product and it gives me a kind of completeness. I am also able to explore things on a much deeper level which helps me to enhance my productivity. Also, the team is very welcoming in accepting any new initiatives.”

- Rakesh Makam, Lead Backend Developer
