

**Andrew Matta DMD, MBA**  
*Chief Medical Officer & Founding Partner*  
*North American Dental Group*

Dr. Andrew Matta is part of the team that leads the North American Dental Group. Dr. Matta is a graduate of Allegheny College and the University of Pittsburgh School of Dental Medicine and Katz School of Business. After acquiring his first practice in 2005, Dr. Matta partnered with Mr. Ken Cooper, and co-founded Refresh Dental in 2010 which evolved over time to become NADG.

North American Dental Group, based in Pittsburgh Pennsylvania, is a dental service organization that provides non-clinical administrative services to over 230 dental practices in fifteen states. NADG has over 400 employees and 2,600 supported clinical staff.
