

AN ENDLESS DEVOTION, A GREAT SATISFACTION

BASILIZA G. SACDALAN, EdD

Master Teacher I

Balayan East Central School

It is my great joy to see children grow
To witness their development which gradually flow
That is because we the teachers show
A love and respect that we all know

Building the democracy is our first duty
Keeping the flame of knowledge is our responsibility
Teaching children is our greatest opportunity
So let's grabbed it and joy will be felt endlessly

No one should enter in this p[rofession
Without a deep, deep appreciation
Because teaching needs service and attention
In order to build a great generation

Teaching is the noblest of all human endeavors
Engineers, lawyers, and some of them are doctors

It is a great joy when we sense our fruit of labor

The most sacred duty given by our creator

Success of our pupils is our excellent satisfactions

Sometimes we serve as their inspirations

For yesterdays, today, and tomorrow's education

I can really say we fulfill our ultimate vision and mission

We are a good producer, past interpreter

The present preserver and the future determiner

That is the essence of being a teacher

Dedication and service that will last forever.
