Featuring

Jessica Martin
“Create the Calm”

Are you avoiding making that dental appointment? Having anxiety about the upcoming dental or medical visit? You're not alone! Over 60% of the population experiences such anxiety. There are strategies that can help adults as well as children through these dreaded appointments. Jessica Martin will help you be an advocate for yourself and others to be better able to cope with these experiences.

Jessica Martin is the owner of Martin Management and co-owner of Martin Dental, a thriving dental office in Eau Claire, WI. She loves sharing ways to help decrease patient anxiety and make the dental experience positive for every patient. She has utilized her training and work as a licensed school psychologist to create specific strategies for dental offices to remove some of the most common barriers to dental care. Jessica's mission – to expand her services into other forms of healthcare to make the patient experience better for all!

Laundry Ministry

Doing the Most Good

The Chippewa and Eau Claire county Salvation Army is offering a unique ministry opportunity for area residents. People in need of laundry assistance are able to get \$20.00 laundry cards each month that they can use at 2 laundromats in Chippewa. In Eau Claire they are met by a coordinator of the program on certain days of the month, who then pays for up to \$20 for washing machines and also offers free drying time. At present the program is serving approximately 30 people a month which represents a \$600 outlay.

Kwik Trip vouchers for eggs, milk, and produce are also offered at the laundry hubs, at the Chippewa Falls Open Door Clinic once a month, and through the Salvation Army senior food box program.

For more information or to sign up for either program, please contact Kimberly at the Salvation Army at 715-834-1224, extension 6.

Women with Purpose are encouraged to make monetary donations for this ministry online or at the September 15th luncheon. Thank you for your generosity!
