With the Octanorm SelectPlus system, choosing your own counters and cabinets has never been easier. Just contact us and tell us what you need...

Selectplus

Display Cabinets and
Counters

Select...

The design of cabinet you require, then choose a rounded or square profile aluminium framework. The standard finish of the framework is anodised satin silver, but we can quote for a powder coated finish such as black or white on request.

As well as display counters and counters, we can build open shelving units, display plinths, model cover cabinets, light boxes, notice boards and mirrors to name a few.

Just let us know your requirements.

Plus...

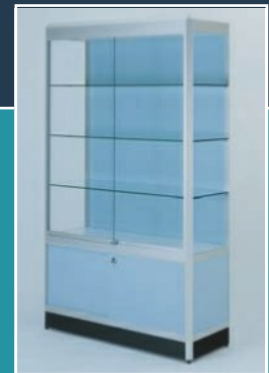

Cabinet Size - we show the most popular size for each unit but we can supply any size you require.

Panel Finishes - choose from our standard colours of White, Grey or Black. If you require another colour, woodgrain or mirror panels then we can quote for these

Do you want lighting in your cabinet?

We can install LED spot lights or down lights. Alternatively we can install full width or full height LED light bars, all from the superb Hafele Loox range. Just ask for a price.

SelectPlus, the choice is yours.
