PROFESSIONAL EXPERIENCE

MYP Design Teacher [2020 - Present]

Atlanta International School

- Responsible for crafting authentic product & digital design learning experiences for grades 6-10 within the MYP framework.
- Track attendance, extend feedback, and communicate effectively with students at all levels of technological understanding.
- Differentiated content (written), process (taught), and product both formatively and summatively (assessed) .

Learning Innovation Coach [2015 - 2020]

Atlanta International School & Shekou International School

- Leveraged technology to guide inquiry, spur complex thinking and present learning in authentic ways.
- Led professional development for staff in the areas of technology and learning innovation.
- Documented, showcased, and shared best practices regarding the integral use of technology ~ share.sis.org.cn/innovation
- Designed Transform, an iBook about contemporary teaching and learning practices captured at Shekou International School.

IB Visual Art Teacher [2012 - 2015]

Shekou International School

- Differentiated instruction by content, process and product to meet students' needs and nurture investment in learning.
- Collaborated with a variety of teachers to create meaningful learning experiences and to promote school-wide professional learning initiatives .
- Assessed student growth through common formative and benchmark assessments

Visual Art Teacher [2008 - 2012]

North Shore Country Day School

- Fostered an engaging learning environment with high expectations and appropriate scaffolding.
- Consistently conferred with students to assess strengths and encourage academic growth.
- Efficiently managed course budgets and purchasing, ensuring fiscal growth and stability
