GROOVE-DRIVEN HOUSE, DISCO & TECH HOUSE

MRKO is a Los Angeles-based house producer and DJ with a sound rooted in UK house, disco house and tech house. His sets center on groove-driven, song-focused house with melodic hooks and modern house influence. Whether playing a daytime event, opening slot, or late-night club set, he stays responsive to the crowd, adjusting the energy in real time to keep everyone dancing.

His original music has earned 2M Spotify streams over the past year, including one song that recently surpassed 1M streams, along with 100K+ peak monthly listeners, Spotify editorial support and radio play.
