Hello Everyone,

It is certainly beginning to look a lot like Christmas. We have all had great fun decorating our tree, threading beads onto snowflakes, exploring our Christmas toys, writing Christmas labels, wrapping up boxes, collaging stars, decorating the Wendy house with tinsel and learning some Christmas songs.

Both the blue and yellow group went on trips to the local post box and enjoyed spotting things on their way – a cement mixer, a bus and lorry, some birds and a boat!

**To help your child at home this, you could talk to them about what they saw on their walk to the post box and what happens to the mail once it has been posted. There were some interesting ideas about how the card would get to their houses! Maybe you could spot the post van when you are out and about.**

Remember tomorrow, Saturday and Sunday 4-8pm you can walk around the area to spot Christmas themed windows telling the Nativity story. Magic Dragon's windows will be adorned. [Emmanuel Nativity Window Trail – Emmanuel Bristol](#)

Thank you all so much for your contributions for the food bank and hamper. You are a generous lot! Raffle tickets are selling really well so a huge thank you to you all, especially those who have spread the word and been selling tickets to neighbours and friends.

The clothes collection fundraiser made a whopping £126 so a huge thank you again to you all. We are looking forward to spending the money on some PE equipment.

For the parents of children in blue group, please remember the deadline for applying for a Primary school place is 15<sup>th</sup> January 2021. Please do come and talk to any staff member if you would like to discuss this further.
