NINGBO PINYI OUTDOOR TECHNOLOGY CO.LTD.

A white SUV is parked on a dark, rocky shore next to a campfire and a tent. The scene is set in a mountain valley at dusk, with snow-capped peaks in the background and a calm lake reflecting the sky. The sky is filled with soft, grey clouds, and the overall atmosphere is serene and adventurous.

### 【Durable & Stable】

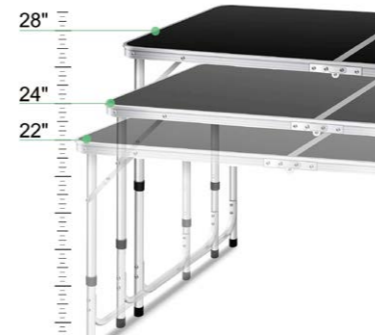

Adjustable folding camping table is made of aluminum alloy frame for a heavy-duty and durable table that's also lightweight. MDF tabletop surface is waterproof for quick and easy cleanup

### 【Light & Compact】

The portable table weighs only 10lbs and supports a load capacity up to 66lbs; silver white anodized aluminum tube legs and non-slip rubber feet help to keep the table in place during any scenario

### 【Easy Set Up & Take Down】

Install the heavy-duty folding camp table easily in seconds. Fold away quickly with the side lock and take it with you on-the-go with the carry handle

### 3 Adjustable Heights

Use the button to effortlessly personalize the height to your preference, choose from the 3 heights: 28in, 24in, 22in.

### Easy to Carry & Store

The portable table can be folded into a suitcase with a built-in carry handle to be taken along on trips or stored away neatly.

### Triangle Lock Design

The lightweight camping table has triangle lock design for reliable stability, push the latch to ensure it remains set in place.

### Security Latch

The portable table has a security latch for dependable stability, fold up the table to securely lock into place to carry more safely.

- Portal cot is made with a durable steel frame and 600D poly canvas top, which can provide you a good night's sleep out in the wilderness.
- This cot can be quickly folded up into bundle and fit into the free carry bag for easy outdoor transport and storage.
- Portal cot permits plenty of room and will hold up to 250lbs. Perfect for campers, explorers and even unexpected house guests.
- The cot can eliminate the discomfort of sleeping on the ground and stay relaxing even on rough ground.
- No assembly is needed so you can start using it right away. Great for camping and packing into a vehicle.

Compact Size

This portable camping cot bed comes with a lightweight carrying bag with a cinch closure and the bench folds in half to maximize portability.

lever locking system

This small design provides more great support and make your sleep safer. Please remember to push the cot side first then secure the lock.

Attached Side Pocket

This cot can hold your phone drink and books with this considerate pocket design. Keep your necessary items organized and handy.

HAMMOCK

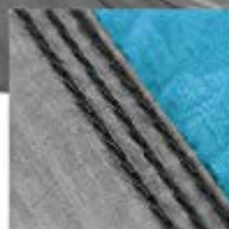

# HAMMOCK

8x80mm,max tension up to300kg  
The maximum bearing capacity nough to support 2 adults

210T Nylon(Parachute Facrlc)  
Lightweight nylon material,easy to clean,bearing strong.

Triple stitching  
Reinforced triple stitching at seams to prevent dropping.

## DC04

With a portable hammock, which is wrapped in a small attached sack, you can relax yourself both indoors and out with only a small bags for camping, whether walking in the park, hiking in the forest, travelling at the beach or doing other outdoor activities. Our Single & Double Hammock is by no means just a hammock. With four ground nails, you can turn the hammock into a picnic pat, a shelter, a tent and even a pad of sun screen.

## DC05

This is one of those hammocks you can actually sleep in outside. Mosquito Nets And Hammocks Combined protect you from all those creepy crawlers which means a more safer and comfortable trip. The compact& lightweight portable parachute hammock comes in an elegant pouch with all its installation tools. Ideal for solo adventures, camping, hiking, backpacking, travel, emergency.

**SUPER STRONG**  
2 Solid steel D-shape heavy duty carabiners.

**MOSQUITO/BUG FREE**  
The Mosquito net is made of high quality net to protect yourself from Mosquito/Bug.

**ULTRALIGHT & COMPACT**  
Stuff sack is conveniently sewn right into the camping hammock so you never lose it. **FAST & EASY SETUP** - Unfolds from included stuff sack in just seconds.

**SIDE POCKET DESIGN**  
You can put your phone or notebook in the pocket easily.

## CAMPING SLEEPING

P110-P123

## CAMPING SLEEPING

CAMPING SLEEPING

# CAMPING SLEEPING

## CQD01

This camping mattress provides the optimal Comfort and Warmth your body needs for getting a good night's rest. Your weight is supported by dozens of flexing air cells just like a pocket sprung mattress. The hiking air mattress for camping is great for any sleep position. No more sore back or annoying discomfort from every little rocks or leaves underneath!

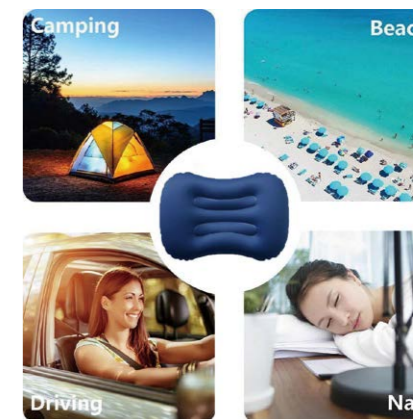

## CQZ01

This travel air pillow ergonomically contours around your head and neck providing unsurpassed support regardless of your desired sleep position. Moreover, it inflates and deflates making it convenient to carry. Whether it is for a long camping trip or just a weekend getaway, you can now sleep as if you are at home!

Manual press design, fast inflation. Say goodbye to mouth blowing.

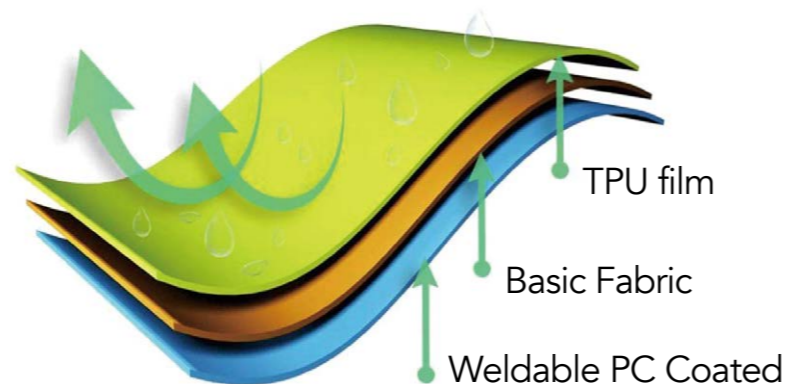

CAMPING SLEEPING

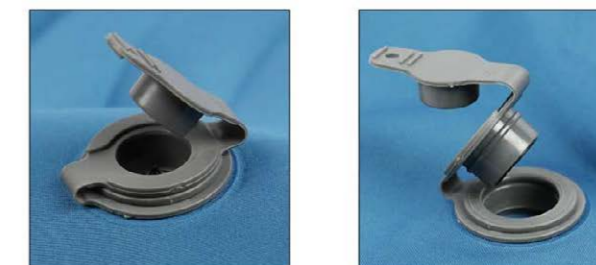

## CQD01-1

Inflating sleeping mattress takes practically no effort and is something that can be done in a few seconds by a single person. Just 10-15 breaths and your comfortable mat is ready for use.

## CQZ02

Ultralight Ergonomic Pillow Portable for Airplanes and Road Trips with Neck & Lumbar Support. This is the most compact & lightweight inflatable camp pillow on the market – folds down to 5x2 inches, smaller than a soda can! Inflates to a comfortable pillow for head or lumbar support. Deflating back down in only seconds. This backpacking pillow can easily be carried in your backpack or pocket for convenient access.

**EASY INFLATION AND DEFLATION**  
Fully Inflation in 3-5 breath.  
Simply Deflation by opening the valve and pushing out the air in seconds.
