[Verse 1]

Shakedown 1979

Cool kids never have the time
On a live wire right up off the street
You and I should meet
Junebug skippin' like a stone
With the headlights pointed at the dawn
We were sure we'd never see an end
To it all

[Chorus]

And I don't even care
To shake these zipper blues
And we don't know
Just where our bones will rest
To dust I guess
Forgotten and absorbed
Into the earth below

[Verse 2]

Double-cross the vacant and the bored
They're not sure just what we have in store
Morphine city slippin' dues
Down to see

[Chorus 2]

That we don't even care
As restless as we are
We feel the pull
In the land of a thousand guilts
And poured cement

[Bridge]

Lamented and assured
To the lights and towns below
Faster than the speed of sound
Faster than we thought we'd go
Beneath the sound of hope

[Verse 3]

Justine never knew the rules
Hung down with the **freaks** and ghouls
No apologies ever need be made
I know you better than you fake it

To see

[Chorus 1]

That we don't even care
To shake these zipper blues
And we don't know
Just where our bones will rest
To dust I guess
Forgotten and absorbed
Into the earth below

[Outro]

The street heats the urgency of now
As you see there's no one around
