[Verse 1]

You say that we've got nothing in common
No common ground to start from
And we're falling apart
You'll say the world has come between us
Our lives have come between us
But I know you just don't care

[Chorus]

And I said "What about Breakfast at Tiffany's?"
She said, "I think I remember that film
And as I recall, I think we both kinda liked it."
And I said "Well, that's one thing we've got."

[Verse 2]

I see you - the only one who knew me
And now your eyes see through me
I guess I was wrong
So what now? It's plain to see we're over

And I hate when things are over -
When so much is left undone

[Chorus]

And I said "What about Breakfast at Tiffany's?"
She said, "I think I remember that film
And as I recall, I think we both kinda liked it."
And I said "Well, that's one thing we've got."

You'll say the world has come between us
Our lives have come between us
Still I know you just don't care

And I said "What about Breakfast at Tiffany's?"
She said, "I think I remember that film
And as I recall, I think we both kinda liked it."
