### ABSTRACT

Effective writing allows you to communicate your thoughts, ideas, and information clearly and concisely. Whether it's through emails, reports, essays, or social media posts, strong writing skills ensure that your message is understood by others. This study utilized the descriptive method of research involving thirty (30) grade 4 students. The following are the results of the study.

Majority of the respondents belong to age 17 and most of them are female. The respondents agree that the problems and factors affecting students in cursive writing skills. There is no significant difference on the respondents in their attitude towards writing cursive writing when profile is considered. The Learning Activity sheets was designed the researcher to enhance the writing skills of Grade 4 pupils.
