

## Educator Profile:

Claire Busbridge  
Wakefield

### Level 3 Certificate in Early Childhood Education and Care

My name is Claire and I have been a home-based Educator for the last 13 years. I have completed my Level 3 certificate in Early Childhood Education, currently studying for my Level 4, and I have a current First Aid Certificate.

I'm 12 km along Eighty Eight Valley Road in Wakefield providing a healthy rural care environment in our family home which I share with my husband and 2 teenage boys. We also have a large orchard/veggie garden for raiding, chickens to feed and collect eggs from, pet sheep/lambs and a goat to get to know.

Children learn so much from exploring at their own pace in a supervised, safe environment. I think messy play and loose parts play are important for children's exploration and imagination. We also head out into the community regularly for excursions which include nature play, music, gym and playgroups amongst others to build those social skills in larger groups.

Due to being rural, I offer a pick-up/drop-off service at designated times.

Please feel free to contact me on 021 026 55094 if you'd like to find out more.
