

Educator Profile:

Melanie Johnson
Stoke

Level 4 Certificate in Early Childhood Education and Care

Kia ora, my name is Melanie Johnson and I am located in Stoke. I have been working in early childhood for the last 15 years and have a qualification in Home Based care. I also have current First Aid certificate.

I love home based care and fully believe this gives your child the best nurturing start to their education journey. My home is a loving and caring environment where we enjoy lots of activities both indoors and outdoors. We love to venture out into nature, go on lots of walks and to parks. with me your child will have access to weekly programs in our community where we go to playgroups, gymnastics and music programmes. I believe in learning through play, and taking the time to find out what your child is passionate about. Then extending on these interests in my unique care programme just for them.

I am married to Brendon and have 3 wonderful school aged children Miley, Isabelle and Josh. We also have 2 fur babies called Tess & Sadie. If you want to know more about me or the programme I run you can contact me on 027 462 0050.
