

Educator Profile:

Nadia Goranson
Motueka

Level 3 Certificate in Early Childhood Education and Care

Hey my names Nadia and I was a nanny for 16 years in Wellington as well as a live in nanny in London along with some childcare centre experiences.

My husband and I have moved back to Motueka to be closer to family and raise our babies (3 years and 6 years) in our own home so they too can be raised in this beautiful town like myself.

I have been a home-based Educator for the past 3years and absolutely love it. I have Level 3 Early Childhood certificate, current first aid, police clearance and heaps of great references. My house is equipped with all the fun things like slide, swings, sand pit, ride on toys plus puzzles, games, dress ups, and a thousand different toys to keep the little ones stimulated and happy. We do baking, painting, playdough, water play etc.

I like to get out and explore the community in my minivan with the children and go to feed the ducks, make sand castles at the beach, play at the park and enjoy the child friendly activities that are available like music groups and playgroups.

My house is fully fenced and I'm very safety conscious. If you would like to know more, please get in contact.

I am happy answer any questions you may have. You can contact me on 027 887 5833
