**The Big Sit - <https://bigsit.info/>**

A silent vigil about climate change at the Grand Arcade between  
2-3pm on the last Sunday of the month.

'We are sitting because we are in a climate and ecological crisis.  
People, other species and habitats are being lost now and we  
want to keep ourselves and others in touch with this. We  
recognise this is interlinked with other crises, for example global  
inequality and war, and so at times we support other actions.'  
It would be wonderful if others from St Paul's could join, either this  
coming Saturday (31st Jan, or on Feb 28th).

Have you thought about **Spiritual Direction**? It's for anyone who would like to develop their relationship with God, anyone who would like to take a step back and look at life. Spiritual Directors don't tell you what to do, they don't offer counselling or therapy but rather offer a space where, accompanied by the Holy Spirit, you receive someone's full attention and can listen to yourself. Interested? Then why not consider booking a taster session to see if it's for you.

Jane Gardiner (LLM from St John's) will be in church on Sunday 8<sup>th</sup> Feb and anyone wanting a taster can arrange with her then.
