Hello Everyone,

A fun-filled week of building dens, making fruit kebabs, painting with feathers, fingers and pom-poms, designing an obstacle course, learning about Space, building houses for the Three Little Pigs, enjoying the world musical instruments outside, decorating and rolling painted conkers, developing our fine motor skills with pom-poms, pouring and scooping with pasta, getting ready for 'Tom Tennis' next week with bats and balloons and playing turn taking games.

This week we said goodbye to a Magic Dragon Family who have been with us for over four years. We wish them all the best in their move to Scotland – we will miss you.

**To help your child at home this week play a turn taking game as a family. It might be an orchard toy game or a game of snap. It is to help encourage your child to wait for their turn.**

Thank you to everyone who generously contributed to our North Bristol Foodbank collection of food items. The food will be being handed over on Tuesday next week so there is still time to make a contribution.

Thank you to all of you who have paid your invoices. The deadline for most is 14/10/23  
Please do speak to me if you are facing financial difficulty or you need some extra time to pay.

Have a lovely weekend everyone.

From Niki and the Magic Dragon team

## easyfundraising

Following my email about helping Magic Dragon to raise some vital funds for resources, please do all sign up for easyfundraising. It is simple and quick to sign up (and we receive £5 extra for each new sign up). Please feel free to share the link with friends and family too. The more people who sign up, the more money Magic Dragon receives.

## Photos

Please take a look at the photos of your children this week:

There will be more posts coming over the weekend of our musical instruments and pom-pom fun so please do share with your children too. Thank you to all who have been 'liking' our posts. We really appreciate it.

## Things to play with when you arrive

Each morning there are things outside the entrance for you to play with when you arrive and are waiting for the door to open. We hope you enjoy them. If there is anything your child particularly enjoys then let a member of staff know and we will have it ready for them to play with another time. Thank you.

## Things to try to remember next week:

- Sign up for a key-person Parent consultation if you haven't already done so.
- Please return all learning journals next week.
