**HEAD OF SOURCING & COMPLIANCE**

BBAC has successfully adopted COBIT 2019 with the expertise and support of Xpliancy, marking a significant milestone in strengthening its IT governance framework. This adoption enables BBAC to enhance its risk management capabilities, align IT with business objectives more effectively, and ensure compliance with industry best practices.

By leveraging the structured approach of COBIT 2019, BBAC is now better equipped to optimize processes, improve decision-making, and drive sustainable growth.
