Kenneth J. Guest is a professor at Baruch College and author of *God in Chinatown: Religion and Survival in the Developing Immigrant Community of New York* (2003). His research focused on China, New York, immigration, religion and transnationality. He has conducted field work in China and the United States. The main tools for living in a multicultural and global era. The most successful new textbook in a generation, Ken Guest's *Essentials of Cultural Anthropology: Toolkit for the 2nd edition of Global Age* (PDF) shows college students that now, more than ever, global forces are influencing local culture. Students learn that the tools of cultural anthropology have to do with their lives in our globalized world. The NEW Inquisitive course helps students focus on reading, learn the basics, and enter a prepared classroom. NOTE: This sale includes only *The Basics of Cultural Anthropology 2e* in Kenneth Guest's PDF. Access codes are not included. Only registered customers who have purchased this product can leave a review. Embracing the basic concepts that govern cultural anthropology today in a new streamlined format, Ken Guest *Foundations cultural anthropology: The Toolkit for the Global Age* shows students that now, more than ever, global forces are influencing local culture, and that the tools of cultural anthropology are vital to participation in global society. The toolbox approach highlights big discipline issues and reinforces key concepts to show that these tools are useful outside the classroom - in relationships, campus life, workplaces, religious communities and our globalizing world.
