The New Generation

Old-time knowledge from ancient Chinese teachings, combined with our cutting-edge 21st-century and 21st-century education, has led to the generation of Chinese youth about Chinese language and literature, using the communication and language skills from 21st.

Traditional Chinese culture is old and rich, it can only be fully comprehended when students are immersed in the traditional Chinese culture and events. Thus, the school teachers also devote much time to let the children stay into the ancient world. By having the Chinese 'Kung Fu' in their language and culture, they can absorb the ancient traditional knowledge, elegance and maturity more easily.

Using their skills they need to keep their own identity.

Our Journey Through Time: The Classics Left By The Confucians

On their way to study, the students needed to complete the formal studying ceremony so that they could become disciples of our school and begin their journey through ancient China. The students experienced the spirit of ancient China and traditions, as well as the importance of respecting teachers and family.
