Help - Google Play: - Innovation Drive Studios - Big Little Farmer Offline Farm - Help from Related Games - Farm Village Farming: Offline Games - Farmdate - Farm Village Simulator - Golden Farm - Farming Idle Game - Farm Town: Happy Village Near Small Town and Town - SuperfarmersDownload MOD APKDirect SSL Connection Of course, the way it plays is no different from other farm simulation games, but it's a completely offline game, no need to connect to the internet to play. If you have a network to disable, for example, then such a game is enough for fun. Big Little Farmer offline farm innovation publisher Drive Studios is such a game. Let me know what's interesting about it. Become a hardworking farmer big Little Farmer Offline Farm Farm simulation game, so you have to do all the work the farmer has to do every day. While these tasks will be difficult, if you are determined and love this work, it will certainly go easily. You will have to do your best to build your farm in a rich place with planting and harvesting various crops such as corn, canola, cotton and wheat. Not only that, but the game also allows the farm to have various animals such as pigs, cows, chickens, ducks used for meat or other products. You can sell them through trucks and bring money to grow and expand your farm. You should also try to enter the agricultural market by producing products that are related to baked goods, dairy products and clothing, etc. Then spend extra money to try to build and decorate your farm more beautiful and shiny. Become a rich and happy farmer with a farm of many people's dreams. Note: Since it is an offline game, all data will not be stored at any source on the Internet. If you delete the game or any data, the game will disappear completely and cannot be restored again. Even if you download a new game, you have to play it again. But the developer is trying to find a way to create a game store and protect its data, even if you delete it and restore it. The sad news is that the functionality is not yet available. Graphics is a game for kids (and a few adults), so Attractive and simple with charming characters. Products and all items here are also stylized closer to children. In addition, the characters are easily easy So it's great for young gamers and those who like to relax while playing. Big Little Farmer Offline Farm is the only offline farm game available on Google Play and the App Store, but all your information is stored and synced online when connected to the network. Not only is the farm, you can build your own house, raise more pets to get eggs, milk... High-quality graphics that fit for all screen sizes Intuitive control, multilingual support Sum up Big Little Farmer Offline Farm - is a free game, no Wi-Fi connection needed to play, cute graphics and easy download (Android 4.1 only) is the perfect choice for weekends or hours. Relax after hard work. Download it on your smartphone and enjoy it. Installation steps - Download the APK file of Big Little Farmer and Lucky Patcher - Install two apps and open Lucky Patcher - Go to Big Little Farmer and open the app. Application.
