## CHRISTIAN WITCHES

Christian Witches is a community of souls who love Christ and the craft and stands for freedom of worship and freedom of devotion. We exist for those around the globe who choose to align with the deepest truth of their being on matters of spirituality, rather than doing as told by religion or any other outside entity. Christian Witches holds an annual convention.

## MYSTERY SCHOOL

The Christian Witches Mystery School (CCW) is a traveling school for students all over the globe who desire to deepen in their spiritual and magickal practices in Christian Witchcraft. The school opened its doors on October 1, 2018 at the first ever classes taught live in Salem, Massachusetts. CCW offers an Initiation program for Christian Witches.

---

Rev. Valerie Love (aka KAISI) is a practicing Christian Witch and the founder of the online Christian Witches community on Facebook, Instagram and YouTube. As an ex-Jehovah's Witness, she is keenly aware of the religious conditioning and tyranny that condemn Witches, magick and all things supernatural. This must change as humanity enters the age of enlightenment. Freedom of worship and freedom of devotion is a birthright of all.

Follow the community on all social media channels (@christianwitches) for updates!

---

The Christian Witches community has grown rapidly since KAISI came 'out the broom closet' in a public video (that has since gone viral) in which she declared how she became a Christian Witch. Though the backlash was immediate, the outpouring of those who felt the same way was an instant miracle! There are thousands upon thousands of Christian Witches all over the globe and growing! This is a movement.
