Hope for Heroes Texas Hosts National First Responders Day Breakfast at The Bevy Hotel

Boerne, Texas – Hope for Heroes Texas will host a National First Responders Day Breakfast at The Bevy Hotel, October 28, 2021, from 7:30am-10:00am.

All active, retired, and former first responders are invited to enjoy a FREE breakfast buffet, catered by The Bevy Provisions Co. & the newly opened coffee shop, Bevy Brews. Breakfast will also be available for \$10.00 to the public, in hopes that civilian supporters will join in the celebration of our local heroes.

This event is sponsored by The Bevy Hotel, Toyota of Boerne, Apache Rifleworks, Rapid Express Carwash of Boerne, and Salty & Sweet.

Kendall County Sheriff, Al Auxier, is slated to speak at 8:00am.

“Hope for Heroes Texas has brought something unique to Boerne by providing an avenue for local businesses and neighbors to show their gratitude and respect for all those in uniform, in a multitude of ways,” Sheriff Auxier states. “Big things are happening here and it’s exciting to see Boerne transform into a City of Hope for Heroes.”
