# CHRISTMAS HAMPERS

The press is awash with supply chain issues so this year's hampers are going to be a bit different to make sure we can get your meat and veg to you in time for Christmas. We know that many of you have come to rely on the quality we offer through our hampers and the quality and our suppliers won't change this year but how we order and store your hamper will.

Hamper orders **MUST** be back with us in the pub by 10th December please.

This year, you can either complete the form on the back of this booklet or order online:

## STEP 1: VEGETABLES

Potatoes for mashing and roasting are included in every hamper as standard.

Now choose 4 of the following:

- Swede
- Cauliflower
- Sprouts
- Carrots
- Broccoli
- Parsnips
- Cabbage (red, white or savoy)

## STEP 2: EXTRAS

These are the bits and pieces that really make Christmas dinner different to any usual Sunday roast!

Included in each hamper will be:

Pigs in blankets

Pete's sausagemeat stuffing balls

*We supply 2 pigs in blankets and 2 stuffing balls per person.*

You can also purchase:

- ◇ Pete's Cauliflower cheese - enough for all in your party £4per person
- ◇ Goose fat for roasting £6.50/jar
- ◇ Pete's huge Yorkshire puddings £0.75/each

## STEP 3: MEAT

This year, we will be selling the meat separately to the rest of the hamper to reflect the changing meat prices we are experiencing.

Choose your meat:

- ◇ Turkey crown (what we usually supply)
- ◇ Whole turkey
- ◇ Topside corner cut of British beef
- ◇ British Pork loin rolled

Tell us how many people you need meat for.

We'll price it for you and let you know on 12th December or before if you get your order in earlier.

We'll purchase it there and then and freeze it to guarantee you your joint for Christmas Day. It will be defrosted by the time it gets to you on Christmas Eve taking one worry away for the day itself.
