### PROFOUND

Profound is a medical travel coordination and support service only and is not an insurance provider, medical provider, hospital, or travel insurer.

### MEXICO & TURKEY CLINIC INSURANCE

Insurance provided within Mexico and Turkey packages is supplied directly by the overseas clinic, hospital, and/or their associated insurance providers.

Clients acknowledge and understand that this insurance is generally limited to treatment-related care while under the active care of the clinic and medical team.

The included clinic insurance does not generally provide standard travel insurance coverage for:

- Airports or transit travel
- Flight delays or cancellations
- Lost luggage or personal belongings
- Personal travel outside of medical care
- Additional accommodation or travel expenses unrelated to treatment
- General travel incidents occurring before admission or after discharge from the clinic's care

Insurance coverage may cease once the client has been discharged, leaves the clinic's care, or returns home.

### ADDITIONAL COMPREHENSIVE TRAVEL INSURANCE

Most travel insurance providers do not offer coverage for clients voluntarily travelling overseas for medical or surgical treatment.

Where available, clients may choose to arrange additional comprehensive travel insurance for broader travel-related coverage during transit and throughout their journey.

Profound may assist clients with arranging additional travel insurance where eligible; however, this is at an additional cost and pricing will vary depending on the client's age, destination, medical history, length of travel, and insurer assessment.

Clients are responsible for reviewing all policy terms, exclusions, eligibility requirements, and coverage limitations before travelling.

Profound does not control or determine insurance approvals, coverage decisions, exclusions, or claim outcomes made by third-party insurers or clinics.

- Turkey: Approximately €120 EUR additional for a double private room

Accommodation upgrade pricing is subject to availability, destination, clinic arrangements, hotel supplier pricing, and may change without notice.
