Download Money Maud for Robot Unicorn Attack 3 to get a taste of wealth. Robot Unicorn Attack 3 is a continuation of a wonderful arcade game about a unicorn robot. During the flight, he leaves the rainbow light behind and travels to the mysterious islands. This is a fairly simple and fun arcade game, where you need to navigate the locations and overcome various obstacles in its path. Fly past or jump over obstacles, so as not to start the level from the beginning. You can also collect coins and change the images of your magical unicorns. So race all through the twinkling stars! You can make the cool game even more interesting with a lot of Money Mod benefits. As the players progress, they will visit incredibly colorful worlds, dazzling dangers. You will take control of the steel mythical creature and try to overcome all obstacles. In order for the mechanical unicorn to give the planets a rainbow, he must run forward at full speed, jump over the rocks and defeat those who will bother him. Since the creature will work automatically, the player only needs to accelerate in front of the rocks and press the jump key. You should know that when faced with obstacles from the robot life is chosen. After a certain amount of damage, he disappears, and his place is taken by another character. There will be a few heroes themselves and they look completely different. To collect all the unicorns, you need to open the chests, as well as collect various details on the levels.
