CLASS DESCRIPTIONS

ACRO: Acro is a style of dance that combines dance technique with acrobatics. Acro skills are practiced in isolation so they can be integrated into choreography. Acro skills will include strength, balance, flexibility, and tumbling.

BALLET: Ballet is the foundation for every other form of dance! Ballet instruction teaches posture, flexibility, strength, grace, and discipline. SSDC has classed for all ages and abilities, including those interested in progressing to pointe.

CONDITIONING: Conditioning is a whole body workout that can improve overall fitness. This class involves a thorough warm up followed by a combination of cardio and strength exercises (with a strong focus on the core) and finishes with a brief stretching session. The workouts are designed to build core strength and endurance.

CONTEMPORARY: Dancers looking for a way to express emotion and personality through dance love contemporary class. A combination of ballet and jazz moves, contemporary dance takes movement inspiration from music and its lyrics. Dancers can easily relate to the emotional content of this dance style and there is plenty of room for self-expression.

HIP-HOP: Hip-Hop is a style of street dancing that includes gliding, popping, locking, and breaking. This popular style of dance allows dancers to let loose and express themselves through movement and music. SSDC is committed to keeping music, choreography, and costumes age-appropriate.

CLASS DESCRIPTIONS

JAZZ: Jazz dance combines techniques of classical ballet and modern dance with an emphasis on energy, rhythm, and style.

MUSICAL THEATER: Musical Theater combines ballet, jazz, contemporary, and hip-hop styles into choreography set to Broadway-style music to tell a story.

MY LIL' STAR AND ME: My Lil' Star and Me is our Introduction to Dance class for ages 18 months to 3 years old. This class is an adult/child class that explores movement forms, uses balance, exploration, rhythm, partner dance and creative dance. Using props, we will engage budding dancers in movement activities.

POMS: Poms is a high-energy style of a combination of jazz and hip hop with a focus on clean, sharp, strong, precise motions incorporating synchronization and visual effects. Dancers will use hand-held pom poms throughout the routine.

TAP: Tap is one of the best forms of dance to instill musicality, rhythm, and coordination. In tap, dancers wear shoes with metal toe and heel taps that sound when hitting on the floor. Tap is a great class for beginners and advanced dancers as there is a wide range of tricks and techniques to learn.

TINY DANCING TUMBLERS: Tiny Tumblers is class specifically for 3-4 year olds that teaches beginning flexibility, balance, strength, muscle control, discipline, and concentration through the use of acrobatics and dance styles.

ATTENDANCE

Your child's attendance in class is very important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the concert routines we create, it also impacts the social and confidence-building principles we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments, or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform our staff as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work.

You can contact us through email, phone, or the Band App.

If you are going on a vacation or are sick during the season, please let us know in advance to aid us in scheduling. Refunds will not be issued for missed classes due to absences.
