THE DRIVE

The grand tour, reimagined with a steering wheel. Begin amid the ancient grandeur of Rome, then drive north through the serene hills of southern Tuscany into Emilia-Romagna — where Italy's culinary excellence and automotive passion share the same roads. Taste Parmigiano Reggiano where it's made, Culatello where it ages, and balsamic vinegar among centuries-old barrels; step inside Pagani or Lamborghini to see how legends are built; and finish in Milan with a day at the circuit — or on Lake Como — and a gala dinner. Scenic roads, authentic flavors, and Italian style, every mile of the way.

DAY BY DAY

Day 1 — Arrive in Rome. Welcomed on arrival and transferred by luxury minivan to a 5-star hotel in the historic center. A private guided tour through elegant piazzas, ancient monuments, and hidden corners, then a welcome dinner — the first flavors of Italy, and the road ahead.

Day 2 — Drive: Rome to Tuscany (approx. 300 km, two driving sessions). North through rolling hills and cypress-lined roads to Siena for a private guided tour of its medieval heart, then to Fonteverde Lifestyle & Thermal Retreat for spa time among southern Tuscany's gentle valleys. Dinner at a carefully selected local restaurant; overnight in Siena.

Day 3 — Drive: into the Motor Valley (approx. 300 km, two driving sessions). On to Modena for an exclusive visit to a legendary supercar maker — Pagani Automobili or Automobili Lamborghini — then a traditional acetaia, where authentic balsamic vinegar ages in wooden barrels in historic attics. Evening in elegant Modena, where culinary heritage and automotive excellence meet.

Day 4 — Drive: Parmigiano & Culatello, then Milan (approx. 250 km, two driving sessions). A private visit to a Parmigiano Reggiano dairy to see centuries-old methods at work, then the aging cellars of Culatello along the banks of the Po. Continue to Milan and the rest of the day at leisure in Italy's fashion and design capital.

Day 5 — Milan: the circuit, or the lake. An exclusive circuit experience with GT cars and Legend Cars at Castelletto di Branduzzo — performance, precision, and the thrill of the track. Prefer a different pace? Milan at leisure, or Lake Como's villas and lakeside villages instead. The day closes with a gala dinner — fine cuisine, elegant surroundings, a proper farewell.

Day 6 — Departure from Milan. Breakfast and final moments in Milan, then a luxury transfer to the airport (other airports on request) — home with memories of remarkable landscapes, extraordinary flavors, and legendary automotive heritage.

The cars: three thrilling days of full-day luxury driving in a rotating selection of top Ferrari, Lamborghini, and Maserati — with a private photographer along to capture it.

Included throughout: exotic car on driving days with fuel and highway costs; a dedicated support team with team cars and a luggage van; walkie-talkies and a briefing every morning; 24/7 assistance; five nights in 5-star hotels with breakfast and room tax; private guided tours in Rome and Siena; the Pagani or Lamborghini visit and balsamic acetaia; the Parmigiano dairy and Culatello visits; the circuit experience; lunches and dinners as listed, wine included; and luxury minivan transfers on arrival and departure. Flights are not included but can be arranged on request; optional experiences are quoted separately.

The keys are waiting. Tell us which road has been calling you, and we will design the rest — the car, the route, the hotels, the tables — privately, personally, and entirely around you.

Good to know: these drives run on open dates, on request. Set departures operate with a minimum of three drivers; alternatively, any drive can be fully customized privately for couples — your dates, your pace, your car. An extra night before the drive begins is recommended, and pre- and post-drive nights and touring can be added anywhere along the route.

Booking your drive: a deposit of 20% confirms your dates, with the balance due two months before departure. Payment by bank wire or Zelle carries no surcharge; credit card payments add 5%.
