THE DRIVE

Some days in Italy deserve an engine. This is a single, perfect driving day — not simply to be driven, but to be felt. From the moment you leave your hotel or private villa, the day unfolds along a carefully designed route through some of Italy's most evocative landscapes: the rolling hills of Chianti Classico, vineyard roads, olive groves, and timeless villages. Every element is tailored around you — your rhythm, your preferences, your idea of discovery — blending extraordinary cars, curated roads, and authentic Italian lifestyle into one seamless day.

THE DAY

The car comes to you. Your Ferrari is delivered to your hotel or villa (or a nearby meeting point is arranged), and a dedicated tour leader briefs you privately on the route and the day's key moments.

Morning — Chianti Classico. Set off behind an expert-driven lead car along handpicked roads where driving is part of the experience itself — winding through vineyards and olive groves, with walkie-talkies keeping the small convoy connected.

Curated stops. Panoramic viewpoints and hidden villages punctuate the drive, with time to step out, breathe it in, and take the photos.

Lunch. A relaxed culinary stop in a traditional trattoria or a refined winery — the Tuscan table, mid-journey.

Afternoon — the long way back. A final scenic leg completes roughly 200 kilometers of driving before you return to your accommodation, the day closing as effortlessly as it began.

The cars: traveling as a couple, choose the exotic that inspires you most — the Ferrari 296 GTB (830 hp, twin-turbo V6 hybrid) or the Ferrari 812 GTS (800 hp, 6.5L V12). Traveling as two couples, both cars are at your disposal. Larger groups and special requests — just ask.

Included throughout: your selected exotic car with fuel, delivery, and all related costs; a tour leader with lead car; walkie-talkies; the curated itinerary (approx. 200 km of driving); and lunch in a local trattoria or restaurant. A round-trip private transfer to the meeting point is available on request. Every drive can be tailored — different cars, a longer route, extra days on the road.

The keys are waiting. Tell us which road has been calling you, and we will design the rest — the car, the route, the hotels, the tables — privately, personally, and entirely around you.

Good to know: these drives run on open dates, on request. Set departures operate with a minimum of three drivers; alternatively, any drive can be fully customized privately for couples — your dates, your pace, your car. An extra night before the drive begins is recommended, and pre- and post-drive nights and touring can be added anywhere along the route.

Booking your drive: a deposit of 20% confirms your dates, with the balance due two months before departure. Payment by bank wire or Zelle carries no surcharge; credit card payments add 5%.
