THE DRIVE

From the timeless canals of Venice to the dramatic peaks of the Dolomites — seven days through some of the most spectacular landscapes in Europe, at the wheel of a rotating lineup of Ferrari, Lamborghini and Maserati supercars. Sail the lagoon's island crafts first, then take the prosecco hills of Valdobbiadene up into the high Alps: the Stelvio's famous hairpins, the Bernina Express, a castle night in St. Moritz, and the elegant descent to Lake Como, finishing with a day on circuit in Milan. Five-star hotels, curated tables, a dedicated support team and luggage van traveling with you, and every stop arranged in advance — you simply take the keys.

DAY BY DAY

Day 1 — Arrival in Venice, the Floating City. Arrive at Venice Marco Polo Airport, where a private transfer and boat escort you across the lagoon to your 5-star hotel. The rest of the day is yours — hidden alleys, stone bridges, a quiet aperitivo on the Grand Canal as the evening light turns gold.

Day 2 — The Venetian Lagoon & Timeless Traditions. A private boat across the lagoon to three iconic islands: Murano, for the ancient art of glassmaking; Burano, the fishermen's village of vivid houses and delicate lace; and peaceful Torcello, where the lagoon's story began. In the evening, a gondola ride as Venice shows its most romantic side.

Day 3 — Drive: From the Venetian Lagoon to the Dolomites (320 km). The driving begins at Mestre — north through the vineyard-covered hills of Valdobbiadene, where the winding roads set the journey's rhythm, and on into

the soaring scenery of Val Gardena. Overnight in Bolzano, where the alpine chapter begins.

Day 4 — Drive: The Stelvio Drive to St. Moritz (320 km). The legendary Stelvio Pass, one of Europe's most iconic mountain roads, climbing in a dramatic series of hairpins — if seasonal conditions close the pass, the route continues through Switzerland by way of Livigno. From Tirano, you may board the panoramic Bernina Express, climbing past glaciers and viaducts to elegant St. Moritz, and a night in a castle.

Day 5 — Drive: From the Engadine to Lake Como (320 km). Descend from St. Moritz through the magnificent Engadine as the high Alps fall away, then follow Lake Como's western shoreline — historic villages, lush gardens and noble villas — to Como, with a private guided walking tour. The driving ends here; a private transfer takes you to Milan for the evening.

Day 6 — Legends & GTs. A day at Castelletto di Branduzzo for a circuit experience with GT cars and Legend Cars. For anyone who prefers not to stay at the track, alternatives can be arranged — a guided visit of Milan, or an excursion to Lake Como.

Day 7 — Departure from Milan. After breakfast, a private transfer to Milan Malpensa Airport — leaving behind a route that linked Venice, the Dolomites, St. Moritz and Lake Como in a single arc.

Included throughout: three full days of driving (some 700 miles) plus the circuit day, in a rotating lineup of Ferrari, Lamborghini and Maserati — Roma Spyder, 296 GTS, 812 GTS, Purosangue, Huracán, Temerario, Urus, Revuelto, MC20 among them, models varying with availability — with fuel and highway costs covered; 6 nights in 5-star hotels with breakfast; arrival and departure transfers; a dedicated support team and luggage van traveling with the group, morning briefings, walkie-talkies, a private photographer and 24/7 assistance; the private lagoon boat tour, gondola ride and Como walking tour as listed; and the lunches and dinners named above, wine included where shown. The Bernina Express and optional experiences are quoted separately, and every drive can be tailored.

The keys are waiting. Tell us which road has been calling you, and we will design the rest — the car, the route, the hotels, the tables — privately, personally, and entirely around you.

Good to know: these drives run on open dates, on request. Set departures operate with a minimum of three drivers; alternatively, any drive can be fully customized privately for couples — your dates, your pace, your car. An extra night before the drive begins is recommended, and pre- and post-drive nights and touring can be added anywhere along the route.

Booking your drive: a deposit of 20% confirms your dates, with the balance due two months before departure. Payment by bank wire or Zelle carries no surcharge; credit card payments add 5%.
